

## Resolution CM/ResDH(2024)319 Execution of the judgment of the European Court of Human Rights Stojanović against Serbia

(Adopted by the Committee of Ministers on 5 December 2024  
at the 1514<sup>th</sup> meeting of the Ministers' Deputies)

Application No.	Case	Judgment of	Final on
55191/22	STOJANOVIĆ	30/11/2023	30/11/2023

The Committee of Ministers, under the terms of Article 46, paragraph 2, of the Convention for the Protection of Human Rights and Fundamental Freedoms, which provides that the Committee supervises the execution of final judgments of the European Court of Human Rights (hereinafter “the Convention” and “the Court”),

Having regard to the final judgment transmitted by the Court to the Committee in this case and to the violations established on account of the non-enforcement of a final domestic judgment given in the applicant's favour against socially/State-owned company;

Recalling the respondent State's obligation, under Article 46, paragraph 1, of the Convention, to abide by all final judgments in cases to which it has been a party and that this obligation entails, over and above the payment of any sums awarded by the Court, the adoption by the authorities of the respondent State, where required:

- of individual measures to put an end to violations established and erase their consequences so as to achieve as far as possible *restitutio in integrum*; and
- of general measures preventing similar violations;

Having invited the government of the respondent State to inform the Committee of the measures taken to comply with the above-mentioned obligation;

Having examined the action plan provided by the government indicating the individual measures adopted to execute the judgment including the information provided regarding the payment of the just satisfaction awarded by the Court (see document DH-DD(2024)1098);

Considering that the question of individual measures was resolved, given that the domestic judgment was enforced;

Recalling that the question of general measures required in response to the shortcomings found by the Court in this judgment continues to be examined within the framework of the *Kačapor* group of cases (Application No. 2269/06) also in the light of the Court's findings in this case, and that the closure of this case therefore in no way prejudices the Committee's evaluation of the general measures required;

DECLARES that it has exercised its functions under Article 46, paragraph 2, of the Convention in this case;

CONCLUDES that the necessary individual measures have been adopted;

DECIDES to continue to supervise the adoption of the necessary general measures concerning the non-enforcement of domestic judgments given against socially/State-owned companies in the *Kačapor* group of cases;

DECIDES to close the examination of this case.
