Summary

National Days on the implementation of the European Landscape Convention in France, “Landscapes from here and elsewhere, diverse perspectives on some landscape approaches at different scales, on both sides of borders”, Council of Europe, Strasbourg, France, 26-27 November 2019

The National Days on the implementation of the European Landscape Convention in France: “*Landscapes from here and elsewhere: cross-views on some landscape approaches at different scales, on both sides of the border*” were held in Strasbourg 26 November 2019 and in the Northern Vosges on 27 November 2019. These days were organised by the Council of Europe – Secretariat of the European Landscape Convention, Directorate of Democratic Participation – and the Ministry of Ecological and Solidary Transition of France, in collaboration with the Post-Oil Landscapes Collective and the Northern Vosges Regional Nature Park, as part of the European Landscape Convention Work Programme.

A publication has been prepared in the European Spatial Planning and Landscape Series.
