The HUDOC database

The search page to the database of the case law of the European Court of Human Rights can be accessed at this address:
<http://cmiskp.echr.coe.int/tkp197/search.asp?skin=hudoc-en>.

To search for a judgment or a decision in the HUDOC database effectively, it is recommended:

- that in the “ECHR Document Collections” column on the left, all boxes under the “HUDOC Collection” are ticked (in order to search not only for judgments but also for decisions); and
- that under “Language”, both English and French are ticked (some judgments and decisions are in French or English only).
