CONSEIL DE L'EUROPE

Strasbourg, 18 June 2014

T-CY (2014)11 rev

## **Cybercrime Convention Committee (T-CY)**

**11th Plenary**

**Strasbourg, 17-18 June 2014**

**Abridged meeting report**

## 1 Introduction

The T-CY Committee, meeting in Strasbourg on 17 and 18 June 2014, was chaired by Markko Künnapu (Estonia). Some 80 representatives of State Parties and Observers participated;

It was followed by a Conference on Article 15 Safeguards and Law Enforcement Access to Data (19-20 June 2014).

## 2 Decisions

The T-CY decided:

### **Agenda item 2: Status of signatures, ratifications, accessions to the Budapest Convention and its Protocol**

- To note with appreciation the accession by Panama to the Convention on Cybercrime;
- To take note of steps underway in view of ratification or accession to the Convention or its Protocol in Andorra, Argentina, Czech Republic, Israel, Luxembourg, Philippines, Mexico, Monaco, Morocco, Senegal and Turkey and that ratification of or accession to the Convention can be expected by several of these States in the course of 2014;
- To encourage States that have signed or been invited to accede to become Parties as soon as possible.

### **Agenda item 3: Information provided by parties and observers – Tour de table**

- To note with interest information provided on cybercrime policies, legislative developments, training or major cases by Albania, Armenia, Australia, Azerbaijan, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Dominican Republic, Estonia, Finland, France, Georgia, Iceland, Japan, Lithuania, Mauritius, Mexico, Moldova, Montenegro, Netherlands, Norway, Panama, Philippines, Portugal, Romania, Serbia, Sri Lanka, Singapore, Slovakia, "The former Yugoslav Republic of Macedonia", Tonga, Turkey, Ukraine, United Kingdom, and USA;
- To draw attention to a trend that carries risks to the rule of law: while the threat and complexity of cybercrime and challenges related to electronic evidence are increasing, the authority of criminal justice institutions to investigate and prosecute cybercrime and to obtain and share electronic evidence appears to be diminishing.

### **Agenda item 4: Dialogue with international organisations (T-CY observers)**

- To welcome the information shared by the European Commission and Europol.

### **Agenda item 5: Follow up to T-CY Assessment Report on the expedited preservation provisions**

- To assess the implementation of the expedited preservation provisions by Denmark, Iceland and the new Parties to the Convention at the 12<sup>th</sup> Plenary; to invite these Parties to complete the questionnaire and submit it to the Secretariat by 31 August 2014 in view of the preparation of a draft supplementary report for consideration by the 12<sup>th</sup> Plenary;
- To invite Parties to submit information in writing to the Secretariat by 31 August 2014 on follow up given to the Assessment Report adopted in December 2012 (T-CY(2012)10rev) where domestic provisions were considered "partially" or "not in line" with the Budapest

Convention – and other Parties to submit additional information as appropriate – in view of the preparation of a draft report for consideration by the 12<sup>th</sup> Plenary;

- To call on Parties to make more extensive use of the expedited preservation provisions (Articles 16, 17, 29 and 30);
- To take note of the preliminary ruling of the European Court of Justice in April 2014 declaring Data Retention Directive 2006/24/EC invalid which – while not putting in question the principle of data retention – confirms rule of law requirements to be met;
- To note that while this ruling does not annul domestic laws implementing this Directive, the implications of this ruling on domestic legislation are now being studied by many State Parties and Observers.

**Agenda item 6: Assessment of Article 31 and related Articles on international cooperation: Finalisation of the draft report and draft recommendations**

- To continue to give consideration to the draft assessment report at the 12<sup>th</sup> Plenary in view of its adoption;
- To invite Parties and Observers to provide further information and comments on the draft report by 15 September 2014.

**Agenda item 7: Provisions to be assessed in the 3rd round of T-CY assessments (2015)**

- To dedicate the 3<sup>rd</sup> cycle of assessments on Article 13 (sanctions and measures) and request the Bureau to prepare a draft questionnaire for consideration at the 12<sup>th</sup> plenary;
- To underline the importance of the question of jurisdiction, and thus to maintain Article 22 as a possible provision to be assessed in the following round of assessments.

**Agenda item 8: Transborder access to data**

- To take note of the constructive exchange of views held between the T-CY transborder group, EU Data Protection Working Party 29, European Data Protection Supervisor (EDPS) and Consultative Committee of the Convention for the Protection of Individuals with regard to Automatic Processing of Personal Data (T-PD) on 28 May 2014.

**Agenda item 9: T-CY Guidance Notes**

With regard to the Draft Guidance Note on Subscriber Information:

- To consider that the adoption of a Guidance Note on Subscriber Information reflecting the common understanding of the Parties would be premature given the diverse rules, conditions and procedures in the Parties;
- To request the Secretariat to turn the summary of the replies to the questionnaire into a stand-alone report;
- To encourage Parties to take account of the observations of this report when reforming their domestic legislation.

With regard to additional Guidance Notes:

- To invite the Bureau to continue its work on a Guidance Note on SPAM.

**Agenda item 10: T-CY Workplan: review and adoption of the workplan 2014/15**

- To note that the workplan as adopted by the T-CY in December 2013 is being implemented as planned.

**Agenda item 11: Elections of chair, vice-chair and members of the Bureau**

- To thank the outgoing Chair, Vice-chair and Bureau members for their contribution to the work of the T-CY;
- To elect for a period of two years:

Chair	Erik Planken, Netherlands
Vice-chair	Cristina Schulman, Romania
Members	Eirik Tronnes Hansen, Norway Tsuyoshi Kitagawa, Japan Markko Kunnapu, Estonia (former chair and member de jure) Justin Millar, United Kingdom Claudio Peguero, Dominican Republic Betty Shave, USA Branko Stamenkovic, Serbia Giorgi Tielidze, Georgia Pedro Verdelho, Portugal

- To consider that a Bureau of this size and composition will allow for implementation of the T-CY workplan and meet the increasing workload.

**Agenda item 12: Financial resourcing of the T-CY for 2014-15**

- To call on Members and Observers to consider additional, non-earmarked voluntary contributions to the Cybercrime@Octopus project, including in view of support to the T-CY.

**Agenda item 13: Activities of capacity building projects and the Cybercrime Programme Office of the Council of Europe (C-PROC)**

- To note with appreciation the activities supported through the capacity building projects of the Council of Europe;
- To welcome the contributions by Estonia, Japan, Monaco, Romania, United Kingdom, USA and Microsoft to the Cybercrime@Octopus project as well as the funding provided by the European Union;
- To thank the authorities of Mexico, of Senegal, the National Institute of Magistrates of Romania and the European Cybercrime Centre (EC3) at EUROPOL for the hosting and co-organisation of regional capacity building workshops organised by the Council of Europe;
- To welcome the opening of the Cybercrime Programme Office of the Council of Europe in Bucharest and thank the authorities of Romania for hosting this office.

**Agenda item 14: Any other business**

- To adopt the opinion on the Recommendation 2041 (2014) of the Parliamentary Assembly of the Council of Europe on “improving user protection and security in cyberspace” and request the Secretariat to submit it to the Committee of Ministers;
- To take note of the activities related to the Council of Europe Convention on the counterfeiting of medical products and similar crimes involving threats to public health (MEDICRIME Convention CETS 211), the (draft) Council of Europe Convention against Trafficking in Human Organs as well as the work of CODEXTER (Committee of Experts on Terrorism) on special investigative techniques.

**Agenda item 15: Next meeting of the T-CY**

- To hold the 12th Plenary of the T-CY on 2-4 December 2014 (2.5 days) subject to the availability of resources.
-
