Background to Targeting Social Need

Targeting Social Need

• From the mid-1990s, targeting social need has been one of the Government's key policies.

•The Government's 'New Targeting Social Need' policy. This approach was enshrined in the Belfast Agreement.
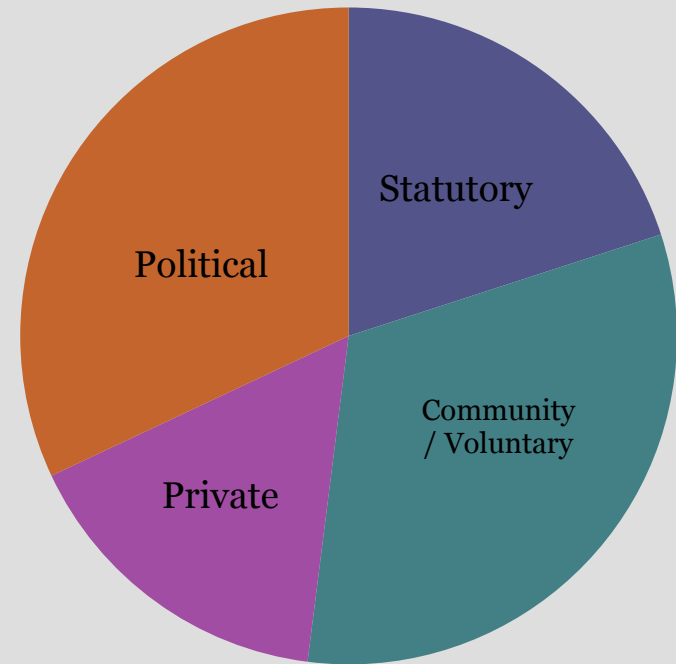

Who Are We?

• South Belfast Partnership Board is a broad based partnership representing community and voluntary sector to drive regeneration of South Belfast.

• Responsible for supporting the implementation of the Government's Neighbourhood Renewal in South Belfast, facilitating local groups/ stakeholders to work collaboratively to undertake a range of strategic, social, economic, environmental and physical regeneration projects in the south of the city.

• We seek to regenerate through:

· **Neutral brokering**
· **Engaging**
· **Facilitating**
· **Connecting**
