COUNCIL OF EUROPE
Commissioner for Human Rights, Nils Muižnieks

We appreciate that you have recognised that the Draft Law on the Rights of War Veterans, Disabled War Veterans, Civilian Invalids of War and their Family Members, prepared by the Ministry of Labour, Employment, Veteran and Social Affairs of the Republic of Serbia, significantly improves the legal status of former war veterans and military casualties.

Based on the experiences of the EU Member States, and especially neighbouring countries, this ministry has produced the abovementioned Draft Law.

The Draft Law on the Rights of War Veterans, Disabled War Veterans, Civilian Invalids of War and their Family Members regulates the issue of war casualties in the same manner as the neighbouring countries.

Civil society organisations took part in a public debate on the respective Draft Law and some of their objections have been accepted.

Yours faithfully,

MINISTER

Aleksandar Vulin
