

On the basis of Article 57, of the Law on Environmental Protection („Official Gazette of the Republic of Serbia” no 135/04, 36/2009 and 14/16), Article 192 of the Law on General Administrative Procedure („Official Gazette of the FRY” no 33/97, 31/2001 and „Official Gazette of the Republic of Serbia” no. 31/2010), and in relation to the application made by the enterprise "KEMIS" DOO from Valjevo, Republic of Serbia, dated on 30.12.2015., Ministry of Agriculture and Environmental Protection issues,

PERMIT

for export of hazardous waste

To the Enterprise "KEMIS" DOO, Bulevar palih boraca 91/92 br. 5, Valjevo SR-14000, Republic of Serbia (hereinafter: Exporter and Generator), it has been permitted to export hazardous waste from "KEMIS" DOO storage facility addressed on: Drugo željezničko naselje 2b, SR-21400 Bačka Palanka, Republic of Serbia – Pesticides, Basel waste Code: A4030, in quantity of 200 tones to the disposal operation in Austria to the Importer: „Wien Energie” GmbH, Thomas Klestil-Platz 14, A - 1030 Wien, Austria and Disposal Facility: „Wien Energie” GmbH, Simmeringer Haide, 11. Haidequerstrasse 6, A - 1110 Wien, Austria, in accordance with Notification no. **SRB 19-00-00982/2015-16**, labeled in accordance with waste labelling in Republic Serbia:

A4-3 A4030 tariff number: **382569** (Wastes from the manufacture, formulation and use of biocides and phytopharmaceuticals, including waste pesticides and herbicides, which are not manufactured for the specification, or they are out of use, or are not suitable for its own original purpose), which classify this waste in **List IA - hazardous waste, List of hazardous waste permitted for export and transit.**

Export referred to in paragraph 1 of this permit shall be performed in several deliveries, starting from the day of issue of this permit to **31.03.2017.** at latest. The transport shall be done by trucks over border crossings of **Batrovci.** **Before each shipment of waste Exporter shall be obligate to inform Ministry about the date of delivery, tree days before starts shipment.**

Confirmation of national label and whether exported waste contains dangerous characteristics for every exported delivery shall be performed before the export has been done by the Laboratory for waste characterization –by sampling and performing laboratory analysis of adequate number of samples taken from deliveries of the exported waste.

Before each delivery departs of waste, Exporter shall be obliged to perform radiology control of each truck contents and to supply appropriate certificate issued by authorized professional institution. Copy of certificate of radiology control shall be applied with documentation through the usual custom procedure.

Write-off amount of waste, in accordance with a permit, the inspector conducted in the company's headquarters, in the original permit on basis of insight into documentation of JCI.

All the procedures during storage, packing, transport and disposal shall be in compliance with provisions from Rulbook on way of storage, packaging and labeling the hazardous waste („Official Gazette of the Republic of Serbia”, no. 92/2010) and Rulbook of condition and way of collecting, transport, storage and treatment of waste with used like secondary row material or waste for energy recovery („Official Gazette of the Republic of Serbia”, no. 98/2010).

All the procedures in transport shall be in compliance with Legislation on Transport of Dangerous Goods and Ordinance on Transport of Dangerous Substances in Road and Railway Traffic.

Rationale

The Exporter submitted request dated on 30th December 2015. to the Ministry - Competent Authority for transboundary movement of waste in order to obtain permit for export of hazardous waste to the Importer and Disposal Facility in Austria, according notification no. **SRB 19-00-00982/2015-16**, for the controled disposal operaton, hazardous waste - Pesticides, Basel waste Code: A4030, in quantity of 200 tones, with label of waste in Republic Serbia:

A4-3 A4030 tariff number: **382569** (Wastes from the manufacture, formulation and use of biocides and phytopharmaceuticals, including waste pesticides and herbicides, which are not manufactured for the specification, or they are out of use, or are not suitable for its own original purpose), which classify this waste in **List IA - hazardous waste, List of hazardous waste permitted for export and transit.**

During the procedure of preparation of this permit the following has been taken into account: contract between exporter and importer, proof of registration, exporter's statement on waste origins, type, quantity, composition and technological process which generated waste, importer's certificate that waste will be processed in ecological way, insurance papers, receipt on paid administrative fee in total amount of 57.830,00 RSD, on date of payment.

Austria has issued import consent No: BMLFUW-UW.2.1.1/0511-V/1/2016-Ku, dated 05.10.2016. Slovenia has issued transit consent no. 35476-33/2016-7 dated on 13.09.2016. Croatia has issued transit consent dated 09.09.2016. no. KLASAUP/I 351-02/16-07/31, URBROJ: 517-06-3-1-2-16-9.

In considering the application, the Ministry assessed documentation submitted by the Exporter along with the application, in compliance with Bylaw on documentation which is to be submitted along with the application for permit for import, export and transit of waste („Official Gazette of the RS”, no 60/09 and 101/10), particularly:

- General documentation referred to in Article 3, of the Bylaw, and particularly Certificate on waste characterization, which contains label of waste in Republic Serbia and waste characteristics and
- Special documentation included in Articles 8. and 9. of the Bylaw.

Taking into account the above mentioned, **the Ministry has assessed that all the conditions have been fulfilled for the permit to be issued**, and on the basis of Article 57, of the Law on Environmental Protection, it has been decided as in the body of this permit.

Legal brief: Against this permit an administrative litigation may be filed within 30 days from the day of its reception.
