TECHNICAL INFORMATION

FOR THE PARTNERS OF THE DIRECTORATE OF YOUTH AND SPORT

HOLDING STUDY SESSIONS AT THE EUROPEAN YOUTH CENTRES IN STRASBOURG AND BUDAPEST

REGULATED BY AN ADMINISTRATIVE ARRANGEMENT
INTRODUCTION

The operation of the programme of activities drawn up by the Programming Committee calls for close collaboration between the partners and the staff of the Directorate of Youth and Sport (DYS) of the Council of Europe. The following information is designed to help the preparatory teams of study sessions being held at the European Youth Centres (EYC)s of Strasbourg and Budapest in the technical preparation of these activities.

- PLEASE READ ALL OF THIS INFORMATION CAREFULLY -

The DYS appoints one of its educational advisors or an external trainer with requisite experience to assist in the preparation, running and evaluation of each of the activities in its programme. Once the name of the educational advisor/external trainer has been received, the youth organisation is requested to contact the relevant educational advisor or external trainer at the earliest opportunity to discuss the preparation of the activity and to arrange a meeting between the educational advisor and the course preparatory team appointed by the organisation. The course preparatory team should respect in as far as possible a geographical and sex balance unless running a single sex study session already approved by the Programming Committee. In the case that an external trainer is appointed to the study session, an educational advisor is appointed to administer the session, and is the organisation’s contact person in the DYS. In this case the educational advisor administering the session does not participate in the preparatory meeting but needs to be updated regularly on the progress of the preparations.

If you have any questions concerning the information in this document, please contact the educational advisor in charge of administering the study session.

LENGTH AND DATES OF STUDY SESSIONS

Study Sessions at the EYC{s} have a minimum duration of 4 working days and a maximum of 8 working days – exceptions to the maximum duration may be granted if justified in the application. The agreed dates for study sessions can only be changed in very exceptional circumstances after discussion with the Director of Youth and Sport. Organisations that wish to make changes to the number of working days should contact the educational advisor in charge of the administration of their activity as early as possible to discuss the procedure.

RECRUITMENT OF PARTICIPANTS

The partners of the Directorate of Youth and Sport are responsible for the recruitment of participants and should ensure an adequate balance between participants from the various member states of the Council of Europe. They should also seek a balance of participants of each sex, unless running a single sex activity already approved by the Programming Committee. It should also be borne in mind that the activities of the EYC{s} are designed for participants between the ages of 18 and 30 – with a maximum of 25% over the age of 30. For participants under the age of 18 see Appendix 3.

The EYC concerned must receive a complete list of participants at least 4 weeks before the activity starts. This list should list names, gender, nationality and address. In addition a list of participants who need visas should be sent 6 weeks before the session. Please see Appendix 2 for
details of information required and the procedure. The information should be sent to the educational advisor or the secretarial assistant for the session (contact details can be obtained from educational advisor).

The number of participants can be a minimum of 20 and a maximum of 40, including the preparatory team and should not differ from that requested in the application and subsequently agreed to by the Programming Committee (with the exception of double study sessions).

**Unless the partner of the Directorate of Youth and Sport in question provides a valid reason to the contrary participants must be present for the whole duration of the session.** The rules of the DYS require that participants are present and attend the study session for no less than 80% of the activity. Should this not be the case, participants must not be reimbursed their travel expenses by the organisation. It is the responsibility of the course director to inform and seek advice from the educational advisor administering the session if such a situation arises. The organisation undertakes to certify in its financial report that all participants who received a travel reimbursement from the financial contribution of the DYS have attended at least 80% of the study session.

**The participation of residents of non-member states of the Council of Europe** is provided for in the following manner:

**Young people who are residents of states, not members of the Council of Europe but parties to the European Cultural Convention** (e.g. Holy See, Republic of Belarus) can be invited in their capacity as members of youth organisations involved in the holding of a session.

A limited number of **young people from continents other than Europe** (up to 15% of all participants) may be invited to participate provided that such participation is envisaged in the application and receives prior authorisation from the Director of the DYS.

**Organisations wishing to invite participants from countries which are not members of the Council of Europe or of the Cultural Convention of the Council of Europe, are required to request permission from the Director of the DYS in advance. A letter justifying the added value of inviting these participants should reach the Director of the DYS no later than 6 weeks in advance of the session to the cost of such participants travel from the financial contribution of the DYS.**

**VISAS**

**Visas for France:** Participants coming from **non-member countries** of the Council of Europe, and from the following countries: Albania, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Georgia, Kosovo¹, Moldova, Russian Federation, Turkey, Ukraine, participants from Estonia, Latvia and Lithuania having a non-national passport, must be

¹ "All reference to Kosovo, whether to the territory, institutions or population, in this text shall be understood in full compliance with United Nations Security Council Resolution 1244 and without prejudice to the status of Kosovo."
in possession of a visa to enter France. It is the responsibility of the partners of the DYS to inform participants of this situation and to suggest to them that they contact the French Consulate service in their country sufficiently in advance to allow the participant to secure his/her visa and, if necessary, to contact other consular departments for transit visas. The DYS can offer visa support by providing written confirmation of the person's expected participation in the activity if this is necessary to secure a visa (see Appendix 2).

**Visas for Hungary:** Participants coming from non-member countries of the Council of Europe and the following countries: Albania, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Georgia, Kosovo, Moldova, Russian Federation, Turkey, Ukraine and participants from Estonia, Latvia and Lithuania having a non-national passport, must be in possession of a visa to enter Hungary. It is the responsibility of the partners of the DYS to inform participants of this situation and to suggest to them that they contact the Hungarian Consulate service in their country sufficiently in advance to allow the participant to secure his/her visa and, if necessary, to contact other consular departments for transit visas. The DYS can offer visa support by providing written confirmation of the person's expected participation in the activity if this is necessary to secure a visa (see Appendix 2).

For visa support to be possible, organisations are required to send the entire list of participants needing visa support, including their relevant visa data to the EYC where their activity will take place as soon as possible and no later than 6 weeks in advance of the session. The staff of the EYC cannot handle individual visa support requests.

**RULES APPLYING TO THE FINANCIAL CONTRIBUTION OF THE DYS**
(Appendix 1)

1. Organisations holding study sessions are responsible for informing and inviting the participants, co-ordinating their travel and managing the reimbursement of their travel costs.

2. To make this possible, the DYS offers a payment in advance regulated by a contract called an “Administrative Arrangement” between the Council of Europe and the organisation holding the study session.

This contract indicates:
- The maximum total contribution of the DYS to travel and visa costs of participants and team for the study session itself (€ 11,900 for up to 35 participants including team);
- The maximum average travel and visa costs per participant (€ 340) which will be contributed by the DYS;
- The maximum contribution of the DYS to the preparation and organisation of the study session (€ 2,200);
- An indemnity of € 130 for the course director, which is intended to cover unforeseen costs that may be incurred during the session;
- An enrolment fee of € 50 per participant (a maximum of 5 team members are exempt from the enrolment fee) which is to be collected by the organisation holding the study session and which is deducted from the payment of the total contribution of the DYS to the organisation holding the study session.
**Payment of the financial contribution:**

The payment of the financial contribution of the DYS to the organisation of study sessions will be made in two instalments:

- **A first instalment** amounting to 70% of the maximum contribution will be transferred to the organisation within 30 days of receipt by the DYS of two signed copies of the Administrative Arrangement. (In case of study sessions taking place in the first trimester of a given year, the first instalment may be made in the last trimester of the previous year);

- **The remaining balance**, based on actual expenses, according to the regulations outlined above, and reduced by the enrolment fees, will be paid within 30 days after receipt of the financial accounts from the organisation (to be submitted no later than 2 months after the study session) and subject to their approval by the DYS.

**Participant Enrolment Fee**

There is an enrolment fee for study sessions of € 50 per participant. The organisation cannot charge any other participation fees. Please note that a maximum of 5 members of the preparatory team, including the “course director”, are exempt from the enrolment fee. The enrolment fees will be deducted from the payment of the total financial contribution of the DYS.

**Reimbursement of Participants’ Travel and Visa Costs**

Travel expenses and visa costs are paid by the organisation to the individual participant using the financial contribution provided for this purpose by the DYS, and according to the following regulations (see also above):

1. maximum contribution of € 11,900 per study session for 35 participants including team
2. maximum average travel and visa costs per participant not exceeding € 340.

**In no case can the financial contribution of the DYS be larger than that indicated in the respective Administrative Arrangement.**

**Financial Report**

The organisation undertakes to submit financial accounts of the use made of the financial contribution, and therefore, undertakes to collect and correctly present documentary evidence of participants’ travel expenses (list of participants, certification of attendance of participants, copies of plane tickets, invoices and receipts, copies of visas indicating prices or relevant receipts, copies of insurance policies needed for obtaining visas, e-ticket confirmation printouts indicating prices, copies of train or bus tickets, etc). The finance department of the DYS should be consulted in case of special cases or questions.

The financial report has to be submitted to the DYS **no later than 2 months** after the study session.
**Board and Lodging**

Board and lodging is provided at the European Youth Centres in Strasbourg or Budapest for the duration of the session under the following conditions:

- cost of full board for the duration of the session is borne by the DYS;
- if, in order to obtain a reduced fare on travel, participants arrive one day before the session commences, the cost of the room and meals (unless the kitchen is closed) will be covered by the DYS (this information must be received in advance);
- if, for the same reasons as above, participants remain in the DYS after the session has finished, the cost of the room and meals (unless the kitchen is closed) will also be borne by the DYS (this information must be received in advance);
- participants wishing to remain at the Centre for personal convenience or tourism pay for their room and their meals;
- one meal (generally dinner) may be organised outside the Centres. Participants either receive an allowance in order to pay for their dinner in a restaurant, or the meal is organised for the whole group, with a financial contribution from the DYS. In case of the latter, the EYC staff will organise the reservation for the restaurant.
- Special dietary requirements may be catered for to a limited extent, (vegetarian, no pork, etc). However, people who are just following healthy eating, gluten free, high fibre, etc. must be prepared to bring items of food with them. Please indicate all special needs, dietary, mobility, etc in the technical needs form (to be completed during the preparatory meeting).

**PREPARATION OF THE STUDY SESSION**

**Allowance for preparatory costs:**

As outlined above, a maximum sum of € 2,200 is provided by the DYS for the preparation and organisation of each study session. It is part of the maximum financial contribution that the DYS makes to the organisation of study sessions.

Study sessions are prepared by a team (usually between 4 and 5 persons including the course director) and an educational advisor or external trainer at a **PREPARATORY MEETING**, held at the latest 2 to 3 months in advance of the session. The sum allocated is intended as a contribution to cover the travel costs incurred by the organisation for the preparatory meeting. In the case that the preparatory meeting takes place outside the EYC, this sum is also intended to cover the cost of board and lodging for the preparatory team members (other than the educational advisor or external trainer assisting the preparation of the session). This sum is also intended to contribute to covering administration costs incurred in the organisation and implementation of the session.

**Preparatory meetings held at the EYC, Strasbourg or Budapest:**

Full board and lodging are provided by the EYCs. If no meals are available at the EYC concerned, the organisation is responsible for paying for meals. Such expenditure must also be justified, and therefore, the organisation is required to keep relevant accounts and to present these
as part of the financial report mentioned above under the section “Rules applying to the financial contribution of the DYS”.

Preparatory meetings held outside the EYC:

**Travel, board and lodging for all team members other than the educational advisor or the external trainer are advanced by the organisation** (the latter is covered separately by the DYS). Such expenditure must also be justified, and therefore, the organisation is required to keep relevant accounts and to present these as part of the financial report mentioned above under the section “Rules applying to the financial contribution of the DYS”.

**It is imperative to invite the relevant educational advisor or external trainer to participate in the preparatory meeting.**

A **feed-back form on preparatory meeting attended by the external trainer** will have to be filled in by the external trainer within 5 days after the preparatory meeting and must be sent to the educational advisor responsible of the study session.

**COURSE DIRECTOR**

A member of the preparatory team, nominated by the youth organisation, deals with the EYC’s administration and works in collaboration with one of the educational advisors as "course director". The financial contribution includes an indemnity for this person of € 130, and is paid under the conditions mentioned above. This indemnity is intended to cover any unforeseen costs that arise during the study session. The course director may benefit from the same travel conditions as lecturers.

**LECTURERS**

Travel, board, lodging expenses and an honorarium for up to **two lecturers per activity** are borne and paid by the DYS. If necessary, and financially feasible, a third lecturer may be invited. Lecturers must receive an official letter of invitation from the DYS. The DYS must address the letter of invitation **15 days before the session** and must mention the duration of the lecturer's stay. For this purpose, the organisation is required to send the respective EYC the following details no later than 15 days before the session: full contact information of the lecturer, date and duration of the contribution, title of the contribution. Lecturers are usually accommodated at the EYC where the session takes place.

**Travel and financial regulations for lecturers**

Lecturers may travel according to the rules that apply to governmental experts. The relevant regulations are sent to the lecturer with the letter of invitation from the DYS. An honorarium of € 250 per input day in the session will be paid for a maximum period of three input days. Any changes must be negotiated prior to the session with the educational advisor in charge of the administration of the session in order for changes to be indicated in the letter of invitation.

**Lecturers from countries outside Europe**

Youth organisations wishing to invite one or more lecturers from countries outside Europe must
submit a request for approval in advance to the Directorate of Youth and Sport with an estimate of the travel costs of such lecturers and indicate the proposed length of stay. This should be discussed with the educational advisor responsible for the administration of the activity well in advance.

**OTHER RULES APPLYING TO THE ORGANISATION OF STUDY SESSIONS**

**Interpretation**

Interpretation between two languages – generally English and one other language – may be provided at the expense of the DYS. The cost of interpretation represents a large part of the budget for a session. **Therefore, the organisation is required to ensure that the need for interpretation is real, based on the participants' needs.** Organisations are also required to inform the EYC as soon as possible if changes to the interpretation request are necessary or if cancellation of interpretation is required. This should be discussed as soon as possible with the educational advisor responsible for the administration of the session.

Cancellation of interpretation later than 1 month in advance of the session entails costs for the DYS. **Organisations are kindly asked to ensure that cancellation of interpretation takes place at least 1 month in advance of the session.**

Interpretation into more languages may be authorised for certain sessions, provided that, as stipulated by the Committee of Ministers, the sessions in question consist mainly of young workers, rural youth or disadvantaged young people and that the Programming Committee’s prior authorisation was obtained when the decisions were taken regarding the programme.

**Organisations are required to ensure that participants of study sessions have an adequate knowledge of one of the working languages.**

**Insurance**

The Directorate of Youth and Sport of the Council of Europe **declines all responsibility** for any risk that can occur to participants during their journey, or during their stay at the European Youth Centre in Strasbourg or Budapest. **Individual insurance or collective insurance against all risks is therefore necessary, the latter to be arranged by the youth organisation concerned.** There is a Social Security Convention on sickness insurance for member states of the European Union. Nationals of these countries can obtain the necessary documentation (European Health Insurance Card).

**Social and cultural activities**

The budget of the DYS provides a certain amount for visits, excursions or other activities for purposes directly connected to the subject of the study session. This must be negotiated directly with the educational advisor responsible for the administration of the session at least 1 month before the commencement of the session.
**Technical requirements**

Three weeks before the session begins, the course director should send the educational advisor a list of technical requirements specific to the activity. A questionnaire is provided to facilitate this process.

The technical requirements should be discussed during the preparatory meeting and the technical needs documents should be completed in as far as possible during the meeting. Appendix 3 lists the technical equipment and material which is available in each of the EYCs, for use during the study sessions.

**Evaluation**

The preparatory team and the educational advisor or the external trainer will meet at the end of the session in order to evaluate the activity. Standardised evaluation forms are provided by the DYS to facilitate this process and should be filled in by the course director and educational advisor or external trainer following an evaluation meeting on the last day of the session. The evaluation form to be filled in by the course director should be submitted to the DYS no later than 1 month after the session.

**Report of the Study Session**

Within the 6 months following a study session, the organisation must produce a report outlining the content and results of the study session according to the document **Guidelines for the format of the final reports of the study session reports** (DJS/G (2007) 9 rev.1) which can be requested from the educational advisor responsible for the study session. An electronic version of the report in Word format must be sent to the EYC, to the e-mail address of the educational advisor responsible for the study session.

The reports of the sessions held at the Centres must be available for the Centres’ users; these reports will be available at the EYC in Strasbourg. Each year a number of study session reports may be published/translated as well as appearing on the DYS website ([www.coe.int/youth](http://www.coe.int/youth)) at the cost of the DYS. Organisations wishing to have their report translated must ask for authorisation from the Director of Youth and Sport by letter no later than 6 months after the session. The letter should justify the need and indicate into which language the report should be translated. The selection of reports for translation, printing and publication on the DYS website is made by the EYC educational staff, in accordance with quality criteria. The youth organisation is responsible for sending the report to the participants.
Appendix 1

Financial and administrative procedure for study sessions regulated by an administrative arrangement

For study sessions regulated by an administrative arrangement, the organisation holding the study session in co-operation with the Directorate of Youth and Sport of the Council of Europe receives a financial contribution for the preparation and organisation of the study session, for the travel and visa costs of participants and for an indemnity for the course director. This implies, in particular, that the organisation is responsible for informing and inviting the participants, co-ordinating their travel, managing the reimbursement of their travel costs and collecting an enrolment fee.

This procedure is regulated in a contract – an “Administrative Arrangement” – between the organisation and the Council of Europe. This contract indicates:

- The maximum total contribution of the DYS to travel and visa costs of participants and team for the study session itself (€ 11,900 for up to 35 participants including team);
- The maximum average travel and visa costs per participant (€ 340) contributed to the organisation;
- The maximum contribution of the DYS to the preparation and organisation of the study session (€ 2,200);
- The indemnity of € 130 for the course director;

The enrolment fee for study sessions (€ 50 per participant, a maximum of 5 team members are exempt) is collected by the organisation holding the study session and is deducted from the payment of the total contribution of the DYS.

The payment is made in two instalments:

- A **first instalment** amounting to 70 % of the maximum contribution will be transferred to the organisation within 30 days of receipt by the DYS of 2 signed copies of the administrative arrangement.
- The **remaining balance**, based on actual expenses, according to the regulations outlined above, and reduced by the enrolment fees, will be paid within 30 days after receipt of the financial accounts from the organisation (to be submitted no later than 2 months after the study session) and subject to their approval by the DYS.

Furthermore, the Directorate of Youth and Sport supports the study session through:

- Educational support through an educational advisor or through an external trainer contracted by the DYS;
- Letters from the DYS to support the application for visas by participants;
- Invitation of lecturers upon request by the organisation, and covering their costs as outlined in the paragraph “Lecturers”;
- Board, lodging and use of the facilities at the EYCs;
- Interpretation between 2 languages upon request and based on the participants’ needs.
The course director of the study session must provide the following:

The **final report** (including the main achievements and results of the study sessions) and the evaluation by the course director. These must be submitted **within 6 months** of the study session.

The **financial report** (including copies of all invoices, tickets, visa expenses and related receipts of cash payments and bank transfers) has to be submitted **within 2 months** of the study session.

To summarise, the following must be respected:

1. The total maximum contribution of the DYS to study sessions is € 14,230 (€ 11,900 for travel and visa costs plus € 2,200 for preparatory and organisation costs plus € 130 indemnity for the course director).
2. The organisation receives an advance payment of 70% of the maximum contribution. Hence, for a study session with 35 participants (including team) the organisation will receive 70% of € 14,230 as an advance payment.
3. The organisation reimburses the travel and visa costs of all participants and team members directly.
4. The organisation collects an enrolment fee of € 50 per participant (a maximum of 5 team members are exempt from the enrolment fee).
5. Upon presentation of the financial accounts including full documentation justifying expenditure (to be submitted no later than 2 months after the study session) and their approval by DYS, the organisation will receive a final payment to cover the rest of the costs incurred, respecting the limits set above. The enrolment fees (see point 4.) will be deducted from the final payment. (In case the actual and approved expenditure minus the enrolment fees is less than the advance payment, the organisation has to reimburse the difference to the DYS).
Appendix 2

To all partners co-operating with the European Youth Centres, Strasbourg and Budapest

Subject: visa requirements for participants attending activities in the EYCs, Strasbourg or Budapest

Dear Friends,

There is still a very high number of participants coming from countries where it is necessary to obtain a visa to travel to France or Hungary. They make up approximately 35% of the total number of participants in EYC activities.

In order to facilitate visa applications and avoid delays, we should like to recall that it is your responsibility to inform participants of the visa requirements to enter France and Hungary and to suggest that they contact the respective French/Hungarian Consulate/Embassy sufficiently in advance (ideally 1 or 2 months beforehand) to allow the participant to secure his/her visa and, if necessary, to contact other consular departments for transit visas.

For many embassies/consulates, the invitation letter from youth organisations does not prove sufficient, especially when the organisation is seated outside France or Hungary. If you have already experienced this situation, please take advantage of the EYC secretariat's assistance at an early stage.

At your request, the EYC secretariat can send an original invitation letter directly to the participant who should then contact the embassy/consulate concerned to personally apply for their visa.

1. In order to produce the letter of invitation and in order that this letter reaches the participant as soon as possible, the organisation should provide the EYC secretariat with the following information at least 6 weeks before the beginning of the activity (preferably in table format, eg Excel):

   GENDER (Male / Female)
   NAME (Surname and First name)
   FULL HOME ADDRESS
   TELEPHONE NUMBER (without this number an express mail delivery will not be possible)
   FAX NUMBER (if available)
   PASSPORT/IDENTITY CARD NUMBER
   WHERE AND WHEN THE PASSPORT WAS ISSUED AND THE EXPIRY DATE OF PASSPORT
   OCCUPATION (if employed) OR STUDENT
   LOCATION OF FRENCH EMBASSY TO BE APPLIED TO
We recommend that this information be requested in the application forms that you send to candidates for the activity concerned.

2. This arrangement to facilitate procedures for the issuing of visas is in co-operation with the French authorities only (the seat of the Council of Europe) as well as the Hungarian authorities (regarding the special status of the EYC Budapest) and not for transit visas.

3. **IN NO CASE CAN THE COUNCIL OF EUROPE INVITATION REPLACE THE STANDARD EMBASSY PROCEDURE FOR THE ISSUE OF VISAS. IT IS INDISPENSABLE THAT PARTICIPANTS THEMSELVES TAKE THE NECESSARY STEPS IN TIME.**

We hope that the information given above will facilitate the work of everyone.

Thank you for your co-operation.

Yours sincerely

Ralf-René Weingärtner
Director of Youth and Sport

INSURANCE AND LIABILITY FOR PARTICIPANTS UNDER THE AGE OF 18
European Youth Centre Strasbourg and
European Youth Centre Budapest

The following specific conditions apply to participants under the age of 18 (minors) staying in the European Youth Centre Strasbourg or the European Youth Centre Budapest:

- Written permission to allow participation in the activities organised by the DYS must be given from the legal guardian/parent of the minor (see Appendix 3a). The sending organisation shall produce such permission at the request of the EYC;

- The sending organisation must also provide written confirmation of acceptance of the following terms and conditions (see Appendix 3b);

- The sending organisation certifies that participants possess the necessary maturity to attend activities without constituting a risk for themselves or any third party;

- The sending organisation takes full responsibility for ensuring the adequate supervision of participants for the entire duration of the activities;

- The sending organisation assumes full responsibility for participants’ actions and shall indemnify the EYC of any damage or loss which it might incur as a consequence of such actions;

- Considering that a strict non alcoholic policy is applied to participants under the age of 18, the sending organisation shall inform participants of such policy and shall be responsible for making sure that it is implemented and fully respected.

The Directorate of Youth and Sport declines all responsibility for any risk that can occur to participants during their journey, or during their stay at the European Youth Centre. Individual insurance or collective insurance against all risks is therefore necessary. There is a Social Security Convention on sickness insurance for member states of the European Union. Nationals of these countries can obtain the necessary documentation.

In addition, the EYC cannot be held liable for the loss or theft of any personal belongings. The guest should ensure that personal insurance against loss or theft is obtained for the duration of the visit.

The sending organisation shall be responsible for any loss and/or damage to property, which is partially or wholly owned or rented by the European Youth Centre for the duration of their participants’ visit.

This also includes responsibility for the actions of their participants in the event of loss and/or damage.

<td>Organisation should inform all participants regarding the travel reimbursement rules. Remind the participant that on arrival in Strasbourg or Budapest they must have purchased all tickets for which they expect to be reimbursed (i.e. all return tickets must all be purchased). They must complete the reimbursement form and hand this in together with all travel receipts IN PARTICULAR AN ORIGINAL INVOICE, on the first morning of the study session. (For the EYCS, a member of the secretariat will be in the dining room on the first day of the study session from 8.30am to 9.30am specifically to collect the forms).</td>
