

**Questionnaire on urban violence committed by juveniles
addressed to the member states**

- 1- What is the age of criminal responsibility?**
- 2- Are there offences and procedures which have been removed from the ambit of criminal justice where juveniles are concerned (diversion)? If so, please identify them.**
- 3- What treatment is given to acts of delinquency committed by juveniles below the age of criminal responsibility?**
- 4- What are the rules governing the detention of juveniles in an educational facility? (conditions, duration, supervision)**
- 5- What are the rules governing the detention of juveniles in prison? (conditions, duration, supervision)**
- 6- What are the specifics of urban violence: its frequency, extent, legal classification, specific responses and preventive measures?**
- 7- Can certain responses be classed as good practices? Describe them briefly.**
