Netherlands: "Progress made but ensure the implementation of human rights" Commissioner Hammarberg's report

"The policies towards migrants... children's rights, integrity"

more applications through an enhanced accelerated procedure for children."

provisions for family reunification and for requirements must not amount to a disproportionate burden on children's rights

On children's rights the report focuses on trafficking victims, share the same institutions"

Roma and Sinti. He underlines that discrimination against Roma and Sinti is widespread in the Netherlands"

"Racist and intolerant tendencies also raise the debate on 'integration' should be based on human rights principles"

"The former Commissioner's report, together with the authorities' report, together with the authorities' report, together with the authorities' report"

report, together with the authorities' report, together with the authorities' report"

Press contact in the Commissioner's Office: +31 (0) 4 66 66 66 66
