Greece: "More and strenuous effort on minority rights" says Commissioner

"Effective protection of minority rights are fully respected and protected in Greece." Commissioner said.

"Particular care should be given to the provision of medical services" said the Commissioner.

"The report is based on the Commissioner's visits to the minorities, on the Commission's media contact in the Commissioner's Office."

"The Commissioner's Office is pleased to have received the report of the Commissioner's visit to Greece."
