

Due to the ongoing large scale military aggression of the Russian Federation against Ukraine, based on the proposal of the National Security and Defense Council of Ukraine, in accordance with the Constitution of Ukraine and the Law of Ukraine «On Legal Regime of Martial Law» the Decree of the President of Ukraine dated October 28, 2024, №740/2024 «On the Prolongation of the Term of Martial Law in Ukraine» was adopted.

The abovementioned Decree was approved by the Law of Ukraine dated October 29, 2024, №4024-IX «On Approval of the Decree of the President of Ukraine «On the Prolongation of the Term of Martial Law in Ukraine», which was immediately announced through the media. Both the Law and the Decree entered into force simultaneously on November 07, 2024.

According to the Decree the regime of martial law was prolonged from 05 hours 30 minutes on November 10, 2024, **for a period of 90 days.**
