

“INTERNATIONAL LIAISON OFFICERS NETWORK”

“The ILO-Net”

The International Liaison Officers Network, or “ILO-Net”, is a very unique forum for all International police and customs Liaison Officers with accreditation in the BeNeLux. The Pompidou Group of the Council of Europe, under the presidency of an ILO member, wants to build bridges for a close and excellent cooperation between the ILO’s and with other members of this network, from Police, Customs, Judiciary, International Organisations, relevant to the work of the International Liaison Officers.

All ILO’s and affiliated members are invited to meet regularly. During these specific networking meetings, presentations or guided tours are organised, of interest in the daily work of ILO’s, followed by a networking drink which is key to the success of this “ILO-Net”.
