## B. EXPECTED DELIVERABLES

### Background of the Project

The Council of Europe is currently implementing the project "Raising awareness on the Istanbul Convention and other gender equality standards in Azerbaijan". The project is running from 1 July 2020 to 31 December 2021. It aims to raise awareness on the Convention on preventing and combating violence against women and domestic violence (Istanbul Convention) and other gender equality standards in Azerbaijan, in order to strengthen domestic legislation and policies and to align them with European standards. The Istanbul Convention is widely recognised as one of the main legal standards and the most comprehensive international treaty to tackle violence against women and domestic violence (VAW/DV), which is a serious violation of the human rights of women.

To achieve that, the project will co-operate with the Azerbaijani authorities through three main fields of action: legislative and policy frameworks, awareness-raising activities and capacity-building of government officials. In addition, this project will aim to provide support to the Azerbaijani authorities in their path towards signature and ratification of the Istanbul Convention.

The Council of Europe is looking for a maximum of 15 Provider(s) (provided enough tenders meet the criteria indicated below) in order to support the implementation of the project in the areas of expertise outlined below.

This Contract is currently estimated to cover up to 15 activities to be held by 31 December 2021. This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. The Contract may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation.

For information purposes only, the total budget of the project amounts to 500,000 Euros and the total amount of the object of present tender **shall not exceed 55,000 Euros tax exclusive** for the whole duration of the Framework Contract. This information does not constitute any sort of contractual commitment or obligation on the part of the Council of Europe.
