AIM AND OBJECTIVES OF THE STUDY SESSION

Aim: The aim of this study session is to develop new opportunities and methods through emergency times or situations.

Objectives:

- To equip DBYN's trainers and staff with new tools and resources to adapt more effectively to the changing and challenging times.
- To develop deeper understanding of Human Rights based approach for advocacy and build DBYN's capacity for delivering training and support to its member organisations in this field.
- To invest in DBYN's pool of trainers and the member organisations by providing them with a qualitative training with the European Youth Centre.
- To support the trainers to integrate the values and methods of Human Rights Education and of the Council of Europe in their work.
