

Frequently Asked Questions (FAQ)

1. Where will the summer camp be held on August 4-9?

The summer camp will take place in the Mtskheta-Mtianeti region. The exact location has not yet been confirmed. Selected candidates will be provided with comprehensive information once it is finalised.

2. How many young people will be selected for the project and is there a specific quota for each region?

2-3 young people will be selected from each region. In total, up to 30 participants are expected to take part in the summer camp.

3. Does non-submission of a video affect the selection process?

No. Submitting a video is optional.

4. When will selected participants be contacted, and what are the next steps?

Selected candidates may be invited for an interview. Final decisions will be announced by July 19.

5. How will teams be formed, before or during the camp?

Teams will be formed during the camp, based on regional representation.

6. What are the expectations for participants? What will the process of implementing initiatives look like after the camp?

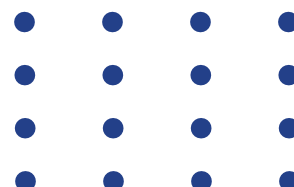

The planning and implementation of initiatives will begin during the camp, tailored to identified needs. This process may include capacity-building activities, training and information sessions, mentoring, and other opportunities aimed at strengthening the youth laboratories, including participation in local and international events.

7. Will participants receive financial or other support to implement their initiatives?

Yes, the project includes support for members in identifying and securing the financial resources needed to implement initiatives developed by the laboratories.

8. Will transportation and other logistics be covered?

Yes. Transportation and other logistical needs will be provided during the camp.

9. How long will the project last?

The implementation period for the Council of Europe project “Promoting Participatory and Human Rights-Based Local Democracy in Georgia” is 2024 - 2027.

10. Where will youth lab members be able to participate in project-supported activities?

The project includes renting spaces for post-camp activities and providing transportation for participants.

11. Where will youth lab members (after expansion) be able to gather and work?

This will depend on regional resources. Suitable gathering spaces will be identified in collaboration with camp participants, based on available options.

12. Are selected participants expected to read or prepare materials before the camp?

For thematic and skills-based sessions, relevant training materials may be shared in advance by the experts. No other pre-reading is required.
