*This project is a regional project covering Eastern Partnership countries (Armenia, Azerbaijan, Georgia, the Republic of Moldova, Ukraine and Belarus<sup>1</sup>), implemented under the Partnership for Good Governance Programme (Phase II, also referred to as the PGG II).*

*In April 2014, the European Union and the Council of Europe agreed that targeted co-operation activities with Armenia, Azerbaijan, Georgia, the Republic of Moldova, Ukraine and Belarus – the EU's Eastern Partnership countries – would be implemented under the Partnership for Good Governance programme. The phase I of the programme (PGG I) started in 2015 and was completed in 2018; the second phase of the programme (PGG II) was launched in 2019 and will run until August 2022.*

*These co-operation activities aim to strengthen the capacity of the Eastern Partnership countries, which are member States of the Council of Europe, with the exception of Belarus, to implement domestic reforms to bring them closer to European standards in the fields of human rights, democracy and the rule of law.*

---

<sup>1</sup> *In the view of the political situation in Belarus, the co-operation activities with this country are on hold and no new actions are planned for the PGG II remaining implementation period so far, in accordance with the restrictive measures issued by the European Union.*
