18.10.2018

AFRICAN FORUM ON CYBERCRIME

Policies and Legislation, International Cooperation and Capacity Building

The use of Information and Communications Technologies (ICT) to facilitate and support Terrorism – The Criminal justice perspective

Judge Philippe VAN LINTHOUT

Addis Ababa, 16-18 October 2018

COUNCIL OF EUROPE

CONSEIL DE L'EUROPE

Going Dark

All problems are intertwined!

1. Encryption: legal intercept/wire tap (Skype/Whatsapp/Telegram) and seizure (smartphone/tablet/computer)
2. No data retention
3. No trans-border access
4. No direct collaboration by ISP's
5. Slow or not effective MLA

Are we still interested in finding THE truth?
