

## **Strategic Plan to 2030:**

- Operationalising the indicators** *(T-PVS(2024)12)*
- National updates 2024** *(T-PVS(2024)14)*

**Dave Pritchard**

# Operationalising the indicators

*T-PVS(2024)12*

- **11 targets, 16 indicators**
- **Varying states of readiness  
(most need some work)**
- **Details of data sources, analysis,  
form of results etc**
- **Crucial for verifying real impact  
of the Strategic Plan**

## **Operationalising the indicators (*cont*)**

- **Links with existing processes**
- **Devising the Bern Convention “cut”**
- **Four indicators to use**  
**Resolution No.8 (2012):**
  - 1.1.a ➤➤ **Part D, 10.5 & 10.6**
  - 1.4 ➤➤ **Part D, 11.6 (& Part B, 12.8?)**
  - 2.1 ➤➤ **Part B, 11.5 & 11.6**
  - 2.2 ➤➤ **Part B, 8.1 (& Part D, 7.1)**
- **Joint Working Groups meeting, 2025**

# Voluntary national updates

*T-PVS(2024)14*

- **Recommendation No. 220 (2023)**
- **Annual implementation highlights;  
useful shared learning**
- **Template of four questions**

## **Voluntary national updates (*cont*)**

- **Response rate – reasons?**
- **Advances - *inc* legislation, restoration, mainstreaming**
- **So far only processes, not outcomes**
- **Need to focus on the year in question; and on Bern Convention**

## **Voluntary national updates *(cont)***

- **Using findings to help responsive action through the Convention**
- **Improving the process next year**
- **Accessible repository for the submitted updates?**

# Conclusion

## ➤ Standing Committee invited to:

- note the indicator operationalisation work done so far, and next actions planned;
- thank the Parties that provided national updates;
- provide comments for the next phase of work on these two topics
