- considering that the realisation fulfils the criteria for the attribution of the award concerning sustainable territorial development, the exemplarity, public participation and awareness-raising,

- bearing in mind the success of the links between urban space and rural space, as well as the important commitment of all those involved in the cleaning up and new use of the landscape.

- attribute a special mention of the Landscape Award of the Council of Europe’s European Landscape Convention for the 1st Session of the Award (2009) to the “Parque Christina Enea, San Sebastian”,

- *considering their importance with a view to implementing the European Landscape Convention.*

V. GENERAL OBSERVATIONSS

5. The members of the Jury:

- were pleased at the good organisation of the meeting;
- considered that the Landscape Award of the Council of Europe constitutes an important mean of promoting awareness-raising of the landscape dimension, according to the provisions of the European Landscape Convention and that it would be useful for all Parties to participate in the 2nd Session which will be organised in 2011;
- considered that it was necessary for a diploma to be prepared with the “Council of Europe-European Landscape Convention” logo and also for a leaflet with all the applications to be prepared;
- considered that it would be useful, on the occasion of the next sessions of the award, if:
 - the application dossier could present clearly a description of the territory concerned before and after the realisation presented;
 - the application dossier gave information on the social perceptions of the project and of the opinions expressed about it;
 - the scales could be selected to ensure better understanding of the elements of the project and that subjects concerning the future of landscapes could also be taken into consideration;
 - the projects realised could, where necessary, be seen by members of the Jury.

VI. CLOSING OF THE MEETING

6. The Chair thanked the Members of the Jury for the quality of their contributions and brought the meeting to a close.
