Jan Kleijssen, Director of Information Society and Action against Crime, provided information to the Bureau, *inter alia*, concerning the following items:

- The importance of starting the preparations of the content and practical details of the 1<sup>st</sup> Conference of Ministers responsible for Media and Information Society to be held in Belgrade in September/October 2013;

The Bureau took note of the adoption of these instruments by the Committee of Ministers on 4 April 2012.

*Draft Declaration on the desirability of international standards dealing with forum shopping in respect of defamation, “libel tourism”, to ensure freedom of expression.*

The Bureau noted that the Draft declaration had been put on hold by the Rapporteur Group on Human Rights (GR-H) following a request from the European Commission.

*“Violent and extreme pornography” – PACE Recommendation 1981 (2011)*

*Reply adopted by the Committee of Ministers on 12 April 2012 at the 1140th meeting of the Ministers’ Deputies.*

The Bureau took note of the CM reply in respect of this PACE Recommendation and discussed the instruction to the CDMSI (paragraph 5 of the reply). It asked the Secretariat to take stock of work available in this context and discussed the possibility of organising a hearing on this topic. The Bureau will continue discussing this matter at its next meeting.

*PACE Recommendation 1998(2012) on the protection of freedom of expression and information on the internet and online media*

*PACE Recommendation 1996 (2012) Equality between women and men: a condition for the success of the Arab spring*

*PACE Recommendation 2001(2012) – “Protection of and access to the audiovisual cultural heritage”*

The Bureau took note of the CM invitations to provide comments on the recommendations and noted the expected timeline for CDMSI consideration (end June/early July)

#### **4. Exchanges of views**

The Bureau discussed the importance of exploring possible cooperation between the Council of Europe and the European Union and to avoid unnecessary duplication. In this context, the Chairperson referred to a presentation he had made before the EC High Level Group on Media Freedom and Pluralism on 17 April 2012.

The Bureau agreed to invite the Chairperson of the EC High Level Group (Ms Vaira Vike-Freiberga, former President of Latvia) or another representative of the High Level Group to the next CDMSI meeting.

The Bureau also agreed to extend an invitation to the newly appointed Commissioner for Human Rights, Mr Nils Muizniek for an exchange of views with the CDMSI.

#### **5. Council of Europe Internet Governance Strategy 2012-2015**

*Follow-up chart to the Council of Europe Internet Governance Strategy 2012-2015*

The Bureau took note of the chart prepared by the Secretariat and suggested changes to provide the CDMSI with a better overview of the implementation of the Strategy.

## **6. Information Society and Internet Governance**

### ***Standard setting activities***

*Draft Committee of Ministers declaration on risks to fundamental rights stemming from digital tracking and other surveillance technologies*

Further to discussions at the 1<sup>st</sup> CDMSI meeting, the Bureau agreed to submit the draft text for comments by 30 June 2012 to the Cybercrime Convention Committee (T-CY), the Consultative Committee of the Convention for the Protection of Individuals with regards to Automatic Processing of Personal Data (T-PD) and the European Committee on Legal Co-operation (CDCJ).

### ***Follow-up to specific instruments on the Internet adopted by the Committee of Ministers***

*Declaration on Internet Governance principles;*

*Recommendation on the protection and promotion of the universality, integrity and openness of the Internet; and*

*Declaration on network neutrality.*

The Bureau asked the Secretariat to invite all CDMSI members to send suggestions for follow-up actions by 31 July 2012.

### ***Compilation of existing rights for Internet users***

*Draft terms of reference of the Committee of Experts on Rights of Internet Users (MSI-DUI) – revised version; and*

*List of candidates for the MSI-DUI (submitted by members of the CDMSI).*

The Bureau noted that the adoption of the terms of reference of the MSI-DUI was pending before the Committee of Ministers. Subject to adoption, the Bureau prepared a short list of proposed members (Appendix III) to be approved by the CDMSI by 18 June 2012.

### ***Drafting of an instrument on cross-border flow of Internet traffic***

It was recalled that the CDMSI at its first meeting had agreed to consider output on the basis of a preliminary report identifying concrete issues. In this connection the Bureau agreed that the Secretariat start the preparations for such a report through an informal meeting in the autumn 2012. This topic will be explored in a dedicated workshop at the IGF meeting in Baku in November 2012.

### ***Cooperation activities***

*European Dialogue on Internet Governance (EuroDIG - Stockholm, 14-15 June 2012)*

The Bureau took note of information provided by the Secretariat on the 5th edition of EuroDIG.

*Internet Governance Forum (Baku, 6-9 November 2012 dates to be confirmed)*

The Bureau took note of preliminary information by the Secretariat on the Council of Europe participation and contributions. It asked the Secretariat to explore possibilities and, if appropriate, make arrangements for an IGF event on the safety of online journalists and bloggers.

## 7. *Media*

### ***Standard setting activities***

*Initiatives to strengthen the protection of journalists, other media professionals and bloggers, both as regards preventive measures and effective investigation, taking into account the work conducted by other international organisations, and to foster ethical journalism*

The Bureau discussed possible ways forward concerning this matter. Several international organisations and NGOs are active and any CDMSI action should provide added value. To this end, it would be helpful to have a better picture of what has been done, including Council of Europe instruments, and what else could usefully be done. The Bureau asked the Secretariat to provide information to facilitate CDMSI consideration of the matter. See also previous paragraph *in fine*, concerning an IGF event.

### *Draft convention on broadcasters' neighbouring rights*

The Bureau noted that no further developments had been reported since the 1<sup>st</sup> CDMSI meeting at which this matter was put on hold.

### *Draft recommendation on gender equality and media*

The Secretariat informed the Bureau that the current draft text had been submitted to the Treaty Office of the Council of Europe which had suggested that it be re-drafted as a self-standing recommendation (as opposed to a recommendation updating existing texts). The Secretariat was asked to prepare a revised draft recommendation and to convene a meeting of an informal working group in order to finalise the draft recommendation towards the end of 2012.

### *Gender equality dimension in the media coverage of election campaigns*

The Bureau considered an outline of an instrument prepared by the Secretariat at the request of the CDMSI. The Bureau suggested that further work on an instrument on this topic should be engaged only after a draft recommendation on gender and equality has been finalised.

### *Proposals to the Committee of Ministers on follow-up to specific media-related instruments adopted by the Committee of Ministers (e.g. in respect of public service media, public service value of the Internet, or a new notion of media)*

The Bureau noted that the CDMSI had agreed to put this item on hold without prejudice to discussions related to the next specialised Ministerial Conference.

### **Cooperation activities**

#### *In member states and in neighbouring regions*

The Bureau took note of information provided by the Secretariat on on-going activities and on projects for activities in Armenia, Azerbaijan, Georgia, Moldova and Ukraine (Joint Programmes EU-Council of Europe), Bosnia and Herzegovina (voluntary contributions, Ireland and Norway) and in respect of neighbouring countries (Jordan, Morocco and Tunisia).

## **8. Implementation of CM Declaration of 13 January 2010**

The Bureau was informed that the Secretary General had established the inter-secretariat Task Force on Freedom of Expression and Media to be coordinated by the Media Division. The Task Force includes Private Office of the Secretary General, the Registry of the European Court of Human Rights, the Office of the Commissioner for Human Rights, the Department of Execution of the Court's Judgments and the Secretariat of the Parliamentary Assembly, the Congress of Local and Regional Authorities, the Committee of Ministers, the Venice Commission, the European Commission against Racism and Intolerance (ECRI), as well as the Directorate of Communications. A first meeting of the Task Force has been scheduled for 21 June 2012.

The Secretariat will keep the CDMSI and the Bureau informed of the work of the Task Force and facilitate communication for the CDMSI to provide an intergovernmental expert input.

## **9. Protection of personal data**

### ***Standard setting activities***

*Convention for the Protection of Individuals with regard to Automatic Processing of Personal Data (ETS 108);*

*Recommendation R(89)2 on the Protection of Personal Data Used for Employment Purposes; and*

*Recommendation R(87)15 Regulating the Use of Personal data in the Police Sector.*

The Bureau took note of the state of play concerning the revision of the above instruments. It also noted the accession of Armenia as the 44<sup>th</sup> contracting party to Convention 108.

## **10. 1st Council of Europe Conference of Ministers responsible for Media and Information Society (Belgrade, September/October 2013)**

The Bureau discussed proposals for themes submitted by Matthias Traimer, Ren Reynolds, Andris Mellakauls, the French delegation, Thomas Schneider and a Secretariat non-paper synthesising discussions. The Bureau asked the Secretariat to prepare a consolidated document based on its discussion and other possible CDMSI contributions for the next Bureau meeting.

## **11. CDMSI relations with other Council of Europe bodies**

The Bureau agreed that CDMSI representation would be advisable in other Council of Europe committees, provided their specific agendas are relevant for the CDMSI and subject to budgetary means available. It left it to the Secretariat, in dialogue with the Chair, to decide on such participation on a case by case basis, in particular in respect of:

*- The Committee of Experts on Terrorism (CODEXTER);*

*-The Cybercrime Convention Committee (T-CY);*

*-The OCTOPUS Conferences;*

*-The European Committee for Social Cohesion (CDCS);*

*-The Committee of the Parties to the Convention on the Protection of Children against Sexual Exploitation and Sexual Abuse (T-ES).*

*-The Conference of Ministers of Justice (“Responses of justice to urban violence”)*

The Bureau was informed of the preparations concerning the 31<sup>st</sup> Conference of Ministers of Justice to be held in Vienna on 19-21 September 2012.

**12. Observer status**

The Bureau recalled that there had been repeated requests from the Internet Society (ISOC) and Global Network Initiative (GNI) to participate in CDMSI work. These organisations should be invited to the next CDMSI meeting, which will allow them to present their work and in turn, would permit the CDMSI to assess their potential contribution to its own work and take any further decisions that may be required.

**12. Other questions**

The Bureau noted with sadness the death of Boleslaw SULIK, who for many years represented Poland at the CDMM (predecessor of CDMSI and CDMC) and paid tribute to his work and long standing co-operation with the Council of Europe.

**13. Dates for the next meeting**

The Bureau took note of the dates of its next meeting: **10-11 October 2012**.
