

REPUBLIKA SLOVENIJA
MINISTRSTVO ZA OKOLJE IN PROSTOR

Implementation of the European Strategy on IAS: Relevant activities carried out in Slovenia in the period 2013-2015

dr. Branka TAVZES

Bern Convention Group of Experts on IAS
Trenta, Slovenia, 4 -5 June 2015

Policy

- Management measures included in:
 - Natura 2000 Management programme for Slovenia for the period 2015 - 2020
 - Yearly management programs of public authorities managing state protected areas and in the management program of the Institute of the RS for nature conservation
- Sources could be provided for nature conservation projects addressing IAS in accordance with the national Operational programme for *European Maritime and Fisheries Fund (EMFF)* (in preparation) and for the Cohesion policy
- IAS part of the NBS (in preparation)

Tujerodne vrste na zavarovanih območjih

Poročilo o aktivnosti za krepitev zmogljivosti v sklopu projekta
WWF Zavarovana območja v dinarski regiji

Jana Kus Veenušič, univ. dipl. biol.
