

# Parks Festival 2015

**“Nature is our business”**

**On the 24th May**, in all Europe, there are celebrations for the **Parks Day**, initiative promoted by **Europarc Federation (European Federation for Nature and natural parks)** and coordinated in Italy by **Federparchi - Europarc Italy (Italian Federation for the natural parks and reserves)** to remember the foundation of the first protected natural areas of the old country, instituted in **Sweden, the 24th May 1909**. Every year the Italian parks offer a rich events program.

**On this occasion and to celebrate together the European Diploma of protected areas 50th anniversary and the 40th anniversary of its foundation, the Maremma Park organises, with the collaboration of Tuscany Region, the Parks Festival, during the weekend from 21 to 24 May 2015 and during the weekend from the 29 to 31 May 2015.**
