DOCUMENT FOR INFORMATION AND GUIDANCE

Item 3.2 of the draft Agenda

The Bureau is invited to review the state of implementation of its work programme.

Introduction

At its 3rd meeting (Strasbourg, 19-21 March 2014), the CDCPP “took note of the information provided in document CDCPP(2014)6 on the 2014-2015 work programme and proposed including information on indicators, a time line and budget for each activity. For the future, the Committee recommended discussing first the achievements in the previous biennium in order to better identify priorities and challenges” [Abridged meeting report, CDCPP(2014)20].

The Secretariat has prepared this working document as a tool to enable the CDCPP to have an overview of the tasks it has been given and the means of implementing them. Some of the activities mentioned in the following pages are the result of specific decisions by the Committee of Ministers (*ad hoc* terms of reference). In other cases, it is up to the CDCPP and member States to discuss and agree on how the individual activities will be carried out.

In many cases, decisions on what to do or how to proceed will have to be taken by the CDCPP and/or its Bureau in the framework of specific items on its agenda. This document will provide a regularly updated overview of the various actions taken in order to meet the goals of the Terms of Reference.
