# Monitoring the implementation of the European Social Charter <sup>1</sup>

## I. Reporting system <sup>2</sup>

### Reports submitted by Denmark

Between 1968 and 2019, Denmark submitted 38 reports on the application of the 1961 Charter.

The [37<sup>th</sup> report](#), submitted on 15/04/2018 covers the accepted provisions of the Social Charter relating to thematic group 3 "Labour rights" (Articles 2, 4, 5, 6, Article 2 of the Additional Protocol, Article 3 of the Additional Protocol)

Conclusions with respect to these provisions have been published in March 2019.

The [38<sup>th</sup> report](#), which was submitted on 03/12/2018, concerns the accepted provisions relating to Thematic group 4 "Children, families, migrants", namely:

- the right of children and young persons to protection (Article 7)
- the right of employed women to protection (Article 8),
- the right of the family to social, legal and economic protection (Article 16),
- the right of mothers and children to social and economic protection (Article 17)
- the right of migrant workers and their families to protection and assistance (Article 19).

Conclusions with respect to these provisions will be published in January 2020.

<sup>1</sup> The European Committee of Social Rights ("the Committee") monitors compliance with the Charter under two procedures, the reporting system and the collective complaints procedure, according to Rule 2 of the Committee's rules: « 1. The Committee rules on the conformity of the situation in States with the European Social Charter, the 1988 Additional Protocol and the Revised European Social Charter. 2. It adopts conclusions through the framework of the reporting procedure and decisions under the collective complaints procedure ». Further information on the [procedures](#) may be found on the [HUDOC database](#) and in the [Digest of the case law of the Committee](#).

<sup>2</sup> Following a [decision taken by the Committee of Ministers in 2006](#), the provisions of the Charter have been divided into four thematic groups. States present a report on the provisions relating to one of the four thematic groups on an annual basis. Consequently each provision of the Charter is reported on once every four years. Following a [decision taken by the Committee of Ministers in April 2014](#), States having accepted the collective complaints procedure are required, in alternation with the abovementioned report, to provide a simplified report on the measures taken to implement the decisions of the Committee adopted in collective complaints concerning their country. The alternation of reports is rotated periodically to ensure coverage of the four thematic groups. Detailed information on the Reporting System is available on the [relevant webpage](#). The reports submitted by States Parties may be consulted in the [relevant section](#).

## **II. Examples of progress achieved in the implementation of rights under the Charter (non-exhaustive list)**

### **Thematic Group 1 "Employment, training and equal opportunities"**

- ▶ Law No. 1385 of 21 December 2005 on equal opportunities removed the upper limit to compensation in employment discrimination cases.
- ▶ Sections 198 and 199 of the Criminal Code which provided for criminal sanctions to be applied in cases of deliberate idleness or lack of means of subsistence were repealed (Act No. 141/1999).
- ▶ Prohibition of both direct and indirect discrimination in the labour market with regard to race, colour, religion, political opinion, sexual orientation and national, social or ethnic origin (1996 Act on prohibition against discrimination in the labour market).

### **Thematic Group 2 "Health, social security and social protection"**

- ▶ Act No. 356 of 9 April 2013 amended the Working Environment Act. The amendment pinpoints that the Act also deals with the psychological working environment.
- ▶ Since January 2012 inspections by the WEA are risk-based, and all enterprises with two or more full-time employees (FRE) will be inspected at least once before the end of 2019.
- ▶ A number of measures were introduced in favour of persons who had exhausted their right to unemployment benefits, such as a special education allowance (Act No. 1374 of 23 December 2012, Act No. 790 of 28 June 2013) or temporary labour-market benefits (Act No. 1610 of 26 December 2013, Act No. 174 of 24 February 2015). Furthermore, measures were taken to maintain unemployment benefits during sickness, for the first 14 days (Act No. 720 of 25 June 2014). Additional measures in favour of unemployed people were taken in the framework of the Employment reform 2014 (Act No. 1486 of 23 December 2014).

### **Thematic Group 3 "Labour rights"**

- ▶ The legislation relating to annual holiday with pay was amended in 2012 so that to allow the workers to interrupt their holidays in case of sickness or accident during their annual leave. The days not taken can thus be postponed, after a waiting period of up to five days per holiday year and upon presentation of medical documentation of the illness (Section 13, Subsections 3-6 of the Holiday Act, entered into force on 1 May 2012).
- ▶ Progress has been made concerning the new strategy relating to the working environment up to 2020 aimed at reducing the number of serious accidents, the number of employees who are psychologically overloaded and the number of employees who experience musculoskeletal disorders. An expert committee on how to enhance the undertaken efforts has been established.

### **Thematic Group 4 "Children, families, migrants"**

- ▶ The Children Act No. 460/2001 introduced new paternity rules and abolished the distinction between children born out of wedlock and legitimate children.
