#### Cooperation with the European Union

22. noted with concern that more than nine months after the release by the European Commission of its “Anti-corruption package” in June 2011, its pledge to request the Council of the European Union to authorise the opening of negotiations for EU participation in GRECO had still not materialised;
23. asked the secretariat to request the Commission to provide information on this matter, including the envisaged timetable and the possible content of a negotiating mandate;

#### Miscellaneous

24. noted that the first Fourth Round evaluation reports would be examined by GRECO 57 (15 – 19 October) and that the President stressed the need for the highest possible standards to be set, bearing in mind the particularities of each member State, and for precision and clarity in the recommendations issued;

25. noted the President's request that, throughout the Fourth Evaluation Round, delegations remind their evaluators of the need to make their written contributions available to the secretariat rapidly after evaluation visits, that evaluators and member states submit their comments during the drafting stages in accordance with the deadlines communicated by the secretariat in order to provide sufficient time for proper assessment as well as for translation and prior availability of the draft evaluation reports before they are examined by the plenary;
26. noted that the President insisted on the need for its members to supply all information relevant to compliance procedures - including their comments on draft compliance or interim compliance reports - to the secretariat within the deadlines set as the last minute presentation of new information makes a sound assessment of its merits extremely burdensome for the rapporteurs and secretariat and can lead to a significant waste of plenary time;

27. noted that the Bureau would hold its 59<sup>th</sup> Meeting in Strasbourg on 13 April 2012 ;
28. noted that the 55<sup>th</sup> Plenary Meeting would be held in Strasbourg on 14 – 16 May 2012 (three day meeting).
