1.   **Programme implementation**

   Summary of the current status of the programme (outputs and activities)

   Overall objective:
   To contribute to the prevention of corruption in Turkey in accordance with European and other international standards.

   Project purpose
   To ensure the effective implementation of the Code of Ethics for public officials and the adoption of such codes by other categories of officials.

   Indicators of Achievement:
   - Level of compliance with the Code of Ethics for Public officials in terms of:
        - Number of complaints received and investigated
        - Number of training activities carried out in different institutions
        - Activities carried out by Ethics Commissions
   - Adoption of a Code of Ethics by the Judiciary
   - Adoption of a Code of Ethics by the Parliament

Summary of the current status of the project against indicators for project immediate objectives and results (outputs and activities)

- Output 1 (second study visit):
