

# **Role of the Faculty of Criminal Justice Sciences in implementing the CARPO project on financial investigations (needs and possibilities)**

UNIVERSITY OF SARAJEVO

Faculty of criminal justice sciences

Eldan Mujanović, teaching assistant

[emujanovic@fknbih.edu](mailto:emujanovic@fknbih.edu)

# Establishment and development of the FCJS

- establishment during 1993
- civil institution – part of the University
- educational and scientific–research institution
- trend of “academisation” and “demilitarisation” in the field of education of the experts for law enforcement
- currently is the FCJS in the phase of strategic planning development (by involvement in Bologna educational process, creating of modern curricula, implementation of researches)

- Directed towards accession processes into *European Higher Education Area – EHEA* i *European Research Area- ERA*
- Streaming in curricula, besides of others, to the field study (rule study) of III row *EU-Justice and Home Affairs*
- Graduate (BA in criminal justice) and postgraduate (MA in criminal justice) studies and possibility of obtaining doctoral degree of criminal justice sciences (PhD in criminal justice).
- Origin in the field of criminalistics, criminology and security studies

# International Co-operation

- Common scientific–research projects with institutions such as:
- European Society of Criminology
- Institute for Scientific Police and Criminology (Lausanne)
- Max Planck Institute for Foreign and International Criminal Law (Freiburg)
