

KRIMINALOMSORGEN

How to execute penal sanctions in a seamless way?

Brussels 27 November 2013

Marianne Vollan

Director General

Directorate of Norwegian Correctional Service

Avoiding «seams» in...

- Integration Prison – Probation
 - Transition past – present – future?
 - Integration Correctional Service – other services
 - The prisoner's transition prison - community
-

What is the task and competences of the Norwegian Correctional Service?

- Execute the sentences issued by the court:
 - Prison penalties and preventive detention
 - Community Sentence
 - Programme for Intoxicated drivers
 - Drug Court
 - Fines – if unpaid
- The Correctional Service has the competence to decide:
 - Home curfew with or without electronic monitoring
 - Serving the sentence in an institution
 - Release on parole

Overall Goals

- 
- Ensure safety and security for victims and the community
 - Prepare for a safe release and a smooth transition to the community
 - Make way for the offender to choose a crime-free lifestyle
