HOW WOULD A DEMOCRATIC FUTURE LOOK LIKE?

— A democratic future is built on empowering young people and children to participate fully in democratic life, providing education that fosters active citizenship, and promoting sustainable, innovative approaches to democracy to respond to technological change and the challenges of tomorrow.

EMPOWERING YOUNG PEOPLE AND CHILDREN

Young people and children can

- access and fully exercise their rights and freedoms; and
- participate in matters affecting them.

SUSTAINABLE AND INNOVATIVE DEMOCRATIC LIFE

Public policy focuses on **long-term** sustainable goals and impact.

Public institutions are **open to change and innovation**.

Democratic institutions and processes and individuals' rights are **protected in contexts where AI systems** and digital technologies are employed.

International co-operation for democracy ensures the protection and promotion of democratic principles and practices.

3 THEMATIC AREAS

EDUCATION FOR DEMOCRACY

Formal, non-formal and informal education prepares learners for life as active citizens in diverse democratic societies.
