Wednesday, 15 November 2023, 09:00-17:30 CET, <u>Ciarus</u>, 7 Rue Finkmatt, 67000 Strasbourg, France

### **Objectives**

The training aims to enhance the capacity of NHRIs to contribute to implementation of judgments of the European Court of Human Rights ("ECtHR"). The training is structured in an introduction and three sessions. The first session aims to provide NHRIs with an overview of the implementation process in Strasbourg and the mandate of the Council of Europe Committee of Ministers. The second session will include work in small groups which will enable participants to get further practical insight into the CoE procedure which allows them to contribute to the implementation process, through so-called Rule 9 submissions to the Committee of Ministers. The third session addresses how NHRIs can become more engaged with the ECtHR judgments implementation process at the national level and the strategies for national advocacy by NHRIs.

### **Working languages**

The training will be held in English.
