

## **European Bank for Reconstruction and Development (EBRD)**

---

The European Bank for Reconstruction and Development (EBRD) is an international financial institution founded in 1991. As a multilateral developmental investment bank, the EBRD uses investment as a tool to build market economies. Initially focused on the countries of the former Eastern Bloc it expanded to support development in more than 30 countries from central Europe to central Asia. Besides Europe, member countries of the EBRD are from all 5 continents (i.e. North America, Africa, Asia and Australia). Representatives of the EBRD attend MONEYVAL meetings on a regular basis. At its 52nd Plenary, the representative of the EBRD informed the Plenary about two initiatives aimed at combatting ML/FT: (1) targeted consultancy for financial institution clients to improve their own AML/CFT programs and help them to implement international best practices and local legislation; (2) trainings and seminars in the countries where the EBRD operates dedicated to international AML/CFT standards.

## **The Group of International Finance Centre Supervisors (GIFCS)**

---

The Group of International Finance Centre Supervisors (GIFCS) is a long-established group of financial services supervisors with a core interest of promoting the adoption of international regulatory standards especially in the banking, fiduciary and AML/CFT arena. Representatives of the GIFCS attend MONEYVAL meetings on a regular basis. At its 52nd Plenary, the representative of the GIFCS brought to the attention of the Plenary inter alia the following points: (1) one of its current priorities is to support the FATF initiative to engage with the private sector in FinTech and RegTech developments; (2) GIFCS is also participating in the G20 initiative to improve the transparency of beneficial ownership; (3) the organisation will soon present its work on TSCP supervision to the FATF.
