A. Terms of reference / Table of fees

The Council of Europe (CoE) is currently implementing two projects, namely the "Support for judicial institutions and processes to strengthen access to justice in Ukraine", which promotes the development of legislation and strategic documents on the judiciary as well as access to justice in the light of the CoE standards, and the "Further support for the execution by Ukraine of judgments in respect of Article 6 of the European Convention on Human Rights", which assists the Ukrainian authorities in providing accessible, full, and effective justice through the execution of judgments of the European Court of Human Rights (ECtHR) in which violations of Article 6 of the European Convention on Human Rights (ECHR) are established.

Based on the above, both projects provide assistance linked to ensuring judicial independence and safeguarding access to justice in Ukraine, which are essential components of a high-quality, efficient justice system. One of the key elements of these important components is adequate funding of the judiciary as it determines the conditions in which the courts perform their functions.

Throughout 2020-2021 the Ukrainian judiciary has faced a major funding crisis. Funding cuts have affected all aspects of the judicial process (in particular, courts became unable to pay post services, renovate technical equipment, make payments to courts' staff, ensure retirement allowance for judges, etc.). As a result, in February 2021 the Committee on Legal Policy of the Verkhovna Rada of Ukraine established the working group tasked with assessing the state judicial funding mechanism and provide recommendations for improving the current funding system and, thus, the efficiency of the Ukrainian courts under Article 6 of the ECHR.

In that context, the "Support for judicial institutions and processes to strengthen access to justice in Ukraine" and "Further support for the execution by Ukraine of judgments in respect of Article 6 of the European Convention on Human Rights" are looking for the Provider(s) (see below) to provides consultancy services and expert assistance on conducting a comprehensive analysis of the state funding of the Ukrainian judiciary throughout 2018-2021 with a view of ensuring the right to a fair trial as guaranteed by Article 6 of the European Convention on Human Rights.
