### Protection of minors (Article 6a of the AVMSD)

- *Appropriate measures may include selecting the time of the broadcast, using age verification tools or other technical measures.*

### Accessibility (Article 7 of the AVMSD)

- *Accessibility measures include subtitling, audio description, sign language and audio subtitling.*
- *Specific quotas are set on the share of news programmes to be made accessible to people who are deaf or hard of hearing.*

### European works (Article 13, 16, 17 of the AVMSD)

- *30% quota obligation for European works in VOD catalogues, including a significant proportion for Dutch-language European works, and general prominence obligation.*
- *Financial contribution obligation of 2% of the turnover made in the Flemish-speaking community for domestic and non-domestic targeted VOD service providers either as a contribution to the production of Flemish audiovisual works or to the Flemish Audiovisual fund.*
- *More than half of the transmission time obligation for broadcasters for European works, including a significant proportion for Dutch-language European works, and 10% of their annual programming time for independent works.*

### Advertising (Article 23 of the AVMSD)

- *Television advertising spots and teleshopping spots: 06.00-18.00 and 18.01-24.00: max. 20% of that period.*

### Video-sharing platforms (Article 28b of the AVMSD)

- *Disputes between users and VSP should be ruled by the Board of impartiality and protection of minors of VRM.*

### Media literacy (Article 33a of the AVMSD)

- *General obligation to promote media literacy measures.*
