## A. EXPECTED DELIVERABLES

### Background of the Project

The project aims to strengthen the child protection framework in Georgia by supporting the implementation of Code on the Rights of the Child in Georgia (2019) and the recommendations from the most recent monitoring round of the Lanzarote Convention (on the protection of children against sexual exploitation and sexual abuse facilitated by information and communication technologies). By doing so it contributes to the UN SDG targets 16.1, 16.2 and 16.3. The project will provide support for authorities, professionals and civil society in areas where the Council of Europe has an added value in Georgia, including on child-friendly investigations, the rights of the child in the digital environment, prevention and protection of children from sexual exploitation and abuse (including online) and other forms of violence, with focus on child victims and witnesses of crimes, who are particularly vulnerable.

The projects awareness raising component should be used

- to sensitise children and their parents about children's rights and what constitutes sexual abuse.
- to rise the wider public's awareness regarding child sexual abuse, including in the digital environment
- to support efforts to prevent child sexual exploitation and abuse and other forms of violence against children, and to promote the rights of the child in the digital environment;
- among the general public and relevant target groups on the risks of child sexual exploitation and abuse, including in the digital environment and promoting digital literacy and safe use of internet for children.

The project duration is 18 months with the implementation period of 1 July 2022 - 31 December 2023.

The Council of Europe is looking for maximum 10 Providers per lot (provided enough tenders meet the criteria indicated below) for the Provision of consultancy services on the development of communication/visibility materials for the awareness-raising and outreach activities on the area of effective prevention and protection against child sexual exploitation and abuse, as well as online safety for children to be requested by the Council on an as needed basis, in compliance with the ordering procedure defined below.

The Contract may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation.

The total amount of the object of present tender **shall not exceed 55,000 Euros tax exclusive** for the whole duration of the Framework Contract. This information does not constitute any sort of contractual commitment or obligation on the part of the Council of Europe.

### Lots

The present tendering procedure aims to select Provider(s) to support the implementation of the project and is divided into lots.

Lots	Maximum number of Providers to be selected
<b>Lot 1:</b> Advising on outreach activities, including communication campaigns, and developing communication and visibility strategies/concept papers;	10
