At its 28th meeting, on 24-27 November 2008, the Standing Committee of the Bern Convention examined document T-PVS (2008) 7 "The case-file system: Reminder on the processing of complaints and new on-line form" and agreed to create a "registration system" to number the old files and the new incoming ones. This would provide quicker access to the information related to them. The Committee agreed to take up the model of "Register of case-files" as presented in Appendix II of the above mentioned document.
