

Slavi Angelov – alert from 19 March 2020

On 17 March 2020 the General Directorate of the Ministry of Interior initiated a pre-trial procedure against an unknown perpetrator regarding the infliction of bodily harm upon the journalist Slavi Angelov.

The appropriate DNA, biological, dactyloscopic, forensic reports were issued. Procedures regarding the identification of the perpetrators as well as interrogations with witnesses were performed. After the gathering of enough evidence, the investigation materials were reported to the observing prosecutors. Based on the evidence gathered, three suspects were identified for commission of acts with respect to Art. 321, par. 6 Penal Code and acts with respect to Art. 129 in connection with Art. 20, par. 2, item 2 and 1 Penal Code. The suspects were detained.

On 21 December 2020, the pre-trial procedure was sent to the Specialized Prosecution Office with the comment that the defendants should be brought to court for the abovementioned crimes.
