- 3.10.3. Nothing in this contract may be construed as conferring on the Provider the capacity of a Council of Europe staff member or employee.

ARTICLE 4 – SUBSEQUENT TENDERING PROCEDURES (CALL-OFFS), FEES, EXPENSES AND MODE OF PAYMENT

4.1 Subsequent tendering procedures (Call-offs)

- 4.1.1. When a need arises, the Council of Europe will proceed with subsequent competitive tendering procedures between all the selected providers.
The Council of Europe reserves the right to consult only those of the pre-selected providers which have the capacity (according to their tender) to perform services under the particular call-off.
Selected providers will be notified of the services requested, and, where relevant, additional conditions and tender rules valid for the call-off concerned.
Each call-off will indicate the deadline for the submission of tenders, taking into account the complexity of the call-off concerned.
- 4.1.2. Throughout the duration of the agreement, the subsequent tenders will be assessed against the award criteria and weighting as provided in the Terms of reference or the call-off.
- 4.1.3. Without prejudice to the provisions of the following article, the selected providers will benefit from exclusivity, within the limits of the scope of this agreement, for the whole duration of the agreement. Therefore, call-offs will only be organised among the selected providers.
- 4.1.4. All selected providers undertake to submit tenders for each subsequent call-off or, failing that, to provide before the deadline of the call-off concerned a justification for not submitting a tender. If, throughout the whole duration of the agreement, a provider fails to justify more than 3 (three) times the non-submission of a tender, the Council of Europe reserves the right to terminate the framework agreement with respect to the provider concerned.
After 3 (three) subsequent call-offs resulting in tenders which are all 20 (twenty) % higher than the average market price, the Council of Europe is considered to be released from the contractual exclusivity granted to the preselected providers and will be entitled to reopen competitive tendering outside the scope of the framework agreement.
If a given call-off fails to provide tenders of a sufficiently good quality to satisfy the needs of the Council of Europe and is declared unfruitful, the Council of Europe reserves the right to contract with another provider, outside the scope of the present framework Agreement, in order to procure the deliverables object of the call-off concerned.
- 4.1.5. Call-offs shall only be launched during the period of validity of the framework Agreement.
The execution of a call-off can however be extended beyond the duration of the framework agreement, unless it would disregard the principle of periodical competitive tendering.
Tenders submitted by the providers under the call-off concerned must be valid for the period of time as indicated in the call-off concerned.
- 4.1.6. The selected providers shall be informed in writing of the outcome of each call-off.

4.2 VAT

- 4.2.1. Should the Provider not be subject to VAT, the amount invoiced shall be net fixed amount. Should the Provider be subject to VAT, the amount shall be invoiced as indicated in Articles 4.2.2 to 4.2.4.
- 4.2.2. Should the deliverables be taxable in France, the amount invoiced shall be VAT inclusive. For services physically carried out in France, providers who do not have a French VAT number must register with the French Fiscal Authorities: Directorate for non-resident tax / sie.entreprises-etrangeres@dgfip.finances.gouv.fr / 10, rue du Centre / 93465 Noisy-le-Grand Cedex / + 33 (0)1 57 33 85 00; or, depending on the provider, Providers without a French VAT number are required to register for VAT purposes at the VAT One Stop Shop (VAT OSS) of their choice. The invoice shall indicate the total amount without taxes, the rate and the amount of the VAT and the total amount 'including all taxes'. The invoice shall also stipulate the following statement: "French VAT collected by the Provider and paid to the One-Stop shop in [Address/Country] under the OSS identification number [No. XX]".
- 4.2.3. Should the deliverables be taxable in another EU country, and unless otherwise agreed between the Parties, the Council will provide the Provider with an exemption certificate prior to the signature of the contract. The exemption certificate sent by the Council of Europe should be retained by the Provider and presented to the relevant tax authorities to justify tax-free invoicing. In accordance with Article 2 b) of Council Directive 2001/115/EC, the following should be stated in the invoice: "*Intra-Community sale/service to an exempted organisation: Articles 143 and 151 of Council Directive 2006/112/EC*" and should indicate the final total amount excluding VAT. In case the CoE will not be in a position to provide the said certificate, the Council will pay the invoice with VAT included.
- 4.2.4. Should the deliverables be taxable in a non-EU country, the amount invoiced will not include VAT if the local (national) legislation allows for it, or if the Council of Europe enjoys tax exemption through other means in the country concerned. Otherwise, it shall include VAT.

4.3 Invoicing and payment

- 4.3.1. In return for the fulfilment by the Provider of its obligations under each Call-off, the Council undertakes to pay the Provider the fees as indicated in its offer, in the currency specified in the relevant Call-off. The fees are final and not subject to review.
- 4.3.2. The Service Provider shall submit an invoice, or a request for payment in the case of Service Providers who do not charge VAT under the applicable legislation, in triplicate and in the currency specified in the relevant Call-off, in conformity with

the applicable legislation. The parties may decide by common written agreement that the invoicing for a particular event will be in a different currency. In all such cases, the exchange rate used shall be as published by the National Bank of Uzbekistan on the day of issuance of the invoice.

- 4.3.3. The fees shall be payable within 60 calendar days, to the bank account indicated in Article 2.2 of the Act of Engagement, upon receipt of the deliverable(s) and its/their acceptance by the Council and upon submission of the documents described under 4.3.2.
- 4.3.4. The Provider shall also submit any document that proves that the event took place, including but not limited to an attendance sheet broken down into half days specifying the location, date(s) and time(s) of the event(s) or activity(ies), to be individually signed by each participant and the Provider.

4.4 Other expenses

- 4.4.1. In the event of the Provider being required to travel for the purposes of the contract, and provided the Terms of reference do not stipulate that the fees already include travel and subsistence expenses, the Council undertakes, subject to its prior agreement, to reimburse travel and subsistence allowances in compliance with the Council's applicable Rules.
- 4.4.2. Travel expenses referred to under 4.4.1 will be reimbursed on the basis of the rail fare (first class) or air fare (tourist class) upon presentation of an invoice on the letterhead of the relevant vouchers. Subsistence expenses (including travel expenses within the locality visited) will be reimbursed at the applicable daily rate.
- 4.4.3. In the event of the Provider being required to travel for the purposes of the contract, the duration of the Provider's travel and stays will be covered by an insurance policy with the insurers CHARTIS (Policy No. 2.004.761). A telephone helpline is available in case of emergency (+ 32 (0)3 253 69 16). The said insurance will cover specific risks related to travel and stay of the Provider (including medical costs related to unforeseen illness or accident, repatriation, death, cancellation of journey or flight, theft or loss of personal possessions). The insurance policy does not cover persons over 75 years of age.

ARTICLE 5 - BREACH OF CONTRACT

- 5.1. In the event that:
- the Provider does not satisfy the conditions laid down in this contract or those resulting from any modifications duly accepted in writing by both parties, in accordance with the provisions of Article 6 below; or
 - the Deliverables provided as referred to under Article 1.1 do not reach a satisfactory level; or
 - the Provider is in any of the situations listed in Article 11.2.
- the Council may consider there to have been a breach of contract and may consequently refuse to pay to the Provider the amounts referred to in Article 4.1 and Article 4.4 above.
- 5.2. In the cases described in paragraph 5.1 above, the Council reserves further, at any moment and further to prior notification to the Provider, the right to terminate the contract in all or in part. In case of termination, the Council shall pay only the amount corresponding to the deliverables actually and satisfactorily provided at the time of termination of the contract and shall request reimbursement of the sums already paid for Deliverables not provided. In case of partial termination, the obligations of the parties shall endure for all deliverables which are not subject of the notification of termination.
- 5.3. The outstanding sums shall be paid to the Council's bank account within 60 calendar days from the notification in writing by the Council to the Provider regarding the outstanding sums to be paid.

ARTICLE 6 - MODIFICATIONS

- 6.1. The provisions of this contract cannot be modified without the written agreement of both parties. This agreement may take the form of an exchange of emails provided it is done using the contact details specified in Article 8.
- 6.2. Any modification shall not affect elements of the contract which may distort the initial conditions of the tendering procedure or give rise to unequal treatment between the tenderers.
- 6.3. This contract may not be transferred, in full or in part, for money or free of charge, without the Council's prior authorisation in writing.
- 6.4. The Provider may not subcontract all or part of the Deliverables without the written authorisation of the Council. If authorised to subcontract by the Council, the Provider shall ensure compliance with all contractual conditions by all authorised subcontractors. The Provider shall remain fully liable to the Council for the performance of that subcontractor's obligations.

ARTICLE 7 - CASE OF FORCE MAJEURE

- 7.1. In the event of force majeure, the parties shall be released from the application of this contract without any financial compensation. Force majeure is defined as including the following: major weather problems, earthquake, strikes affecting air travel, attacks, a state of war, health risks or events that would require the Council or the Provider to cancel the contract.
- 7.2. In the event of such circumstances each party shall be required to notify the other party accordingly in writing, within a period of 7 calendar days.

ARTICLE 8 - COMMUNICATION BETWEEN THE PARTIES

- 8.1. The Contact point within the Council of Europe is indicated on the cover page of the Act of Engagement (See page 1 above).
- 8.2. The Provider can be reached through the means indicated in the Act of Engagement (see page 1 above).
- 8.3. Any communication is deemed to have been made when it is received by the receiving party, unless the Contract refers to the date when the communication was sent.
- 8.4. Electronic communication is deemed to have been received by the receiving party on the day of successful dispatch of that communication, provided that it is sent to the addressees listed in paragraphs 1 and 2 above. Dispatch shall be deemed unsuccessful if the sending party receives a message of non-delivery. In this case, the sending party shall immediately send again such communication to any of the other addresses listed in paragraphs 1 and 2 above. In case of unsuccessful dispatch, the sending party shall not be held in breach of its obligation to send such communication within a specified deadline, provided the communication is dispatched by another means of communication without further delay.
- 8.5. Mail sent to the Council using the postal services is considered to have been received by the Council on the date on which it is registered by the department identified in paragraph 1 above.

- 8.6. Formal notifications made by registered mail with return receipt or equivalent, or by equivalent electronic means, shall be considered to have been received by the receiving party on the date of receipt indicated on the return receipt or equivalent.

ARTICLE 9 – ACCEPTANCE

The provision of Deliverables referred to in this contract shall be the subject of a written acceptance procedure. If acceptance is refused, the Council shall inform the Provider accordingly, giving reasons, and may set new modalities for the provision of the Deliverables. If acceptance is refused again, the Council may terminate the Contract in whole or in part without previous notice and without paying any financial compensation.

ARTICLE 10 – CONSORTIUM

- 10.1. The Providers have full responsibility for carrying out and complying with the terms of the contract.
- 10.2. The Providers are jointly and severally liable. If a Provider fails to implement its part of the contract, the other Providers become responsible for the carrying out of the Deliverables, unless the Council expressly relieves them of this obligation.
- 10.3. In case of breach of contract, where applicable, the Council will claim back the amounts paid but that were not due under the contract. The coordinator of the consortium is fully liable for repaying the debts of the consortium; even if it has not been the final recipient of those amounts.
- 10.4. The internal roles and responsibilities of the Providers are divided as follows:
- 10.4.1 The Providers must designate a coordinator.
- 10.4.2 Each Provider must:
- (i) inform the coordinator immediately of any events or circumstances likely to affect significantly or delay the performance of the contract, change in legal status or technical, organisational or ownership situation, circumstances affecting the award of the contract or compliance with the requirements of the contract;
 - (ii) submit to the coordinator in good time:
 - any other documents or information required by the Council under the contract, unless the contract requires the Provider to submit this information directly;
 - any information requested by the coordinator in order to verify the state of performance of the Deliverables under the contract, the proper implementation of the contract and compliance with the other obligations under the contract.
 - (iii) give the other Providers access to any pre-existing industrial and intellectual property rights needed for the performance of the contract and compliance with the obligations under the Agreement.
- 10.4.3 The coordinator must:
- (i) monitor that the Deliverables are carried out timely and properly, in accordance with the terms of the contract;
 - (ii) act as the intermediary for all communications between the Providers and the Council (in particular, providing the Council with the information described in Article 10.4.2(ii) immediately), unless the agreed otherwise by the Parties;
 - (iii) request and review any documents or information required by the Council and verify their completeness and correctness before passing them on to the Council;

 - (v) submit the Deliverables to the Council in accordance with the timing and terms of the contract;
 - (vi) Payments shall be made by the Council to the coordinator. Payments to the coordinator shall discharge the Council from its payment obligation. The coordinator must ensure that the distribution of the payments between the Providers are made without unjustified delay.

The coordinator may not subcontract the above-mentioned tasks.

- 10.5. The Providers must have internal arrangements regarding their operation and co-ordination to ensure that the action is implemented properly. These internal arrangements must be set out in a written 'consortium agreement' between the beneficiaries, which may cover:
- internal organisation of the consortium;
 - distribution of the Council payment(s);
 - additional rules on rights and obligations related to pre-existing rights and results (including intellectual and industrial property rights), specifying the owner and persons that have a right of use;
 - settlement of internal disputes;
 - liability, indemnification and confidentiality arrangements between the Providers.

The consortium agreement must not contain any provision contrary to the contract.

ARTICLE 11 – CHANGES IN THE PROVIDER'S SITUATION OR STANDING

- 11.2. The Provider shall also inform the Council without delay:
- a) if they are involved in a merger, takeover or change of ownership or there is a change in their legal status;
