I. INTRODUCTION

This Call for Proposals is launched in the framework of the joint European Union and Council of Europe Project “Building Capacity for Inclusion in Education - INCLUDE”, implemented by the Council of Europe and co-funded by the European Union and the Council of Europe.

The call aims to support activities of the Civil Society Organisations (CSO) in Kosovo* who run learning centres (LC). The Council of Europe is looking for grantees to organise summer and winter camps for children from learning centres as well as to organise awareness-raising activities on the right to education and the importance of enrolment and attendance in pre-primary and primary schools.

One CSO can apply for supporting maximum three learning centres.

Selection of the initiatives for funding will be done by an Evaluation Committee comprising of members from the Council of Europe and the Ministry of Education, Science, Technology and Innovation. The Council of Europe will sign Grant Agreements with the selected CSOs, and the results will be published on the website of the Council of Europe Office in Pristina.

Project proposals shall aim to produce an added value to the Council of Europe efforts in this domain.

II. BACKGROUND INFORMATION ON THE COUNCIL OF EUROPE PROJECT

The joint European Union and Council of Europe project “Building Capacity for Inclusion in Education – INCLUDE” is a four-year project, co-financed by the European Union and Council of Europe and implemented by the Council of Europe. The project started on 1 January 2020 and will be implemented until 31 December 2023.

The purpose of the Project is to improve access to quality education of students from disadvantaged groups in pre-primary, primary and secondary education - in line with the Beneficiary’s domestic policies and priorities and Council of Europe standards and practices.

One of the specific outcomes of the project is improved enrolment, attendance and learning outcomes of Roma, Ashkali and Egyptian children in pre-primary, primary and secondary education. This will be achieved through the support to the functioning of the learning centres.

III. BUDGET AVAILABLE

The indicative available budget under this call for proposals is 60,000 € (Sixty thousand Euros). The Council of Europe intends to support a total of 4 (four) Civil Society Organisations with a maximum amount of 15,000€ (Fifteen thousand Euro) each, covering project activities in maximum three learning centres, with a maximum budget of 5,000 EUR (five thousand Euro) per learning centre.

Subject to availability of funds and extension of the Project initial duration, the Council of Europe reserves the right not to award all available funds, and/or to redistribute the available funds in a different manner depending on the project proposals received and on the outcome of the call for proposals.

* This designation is without prejudice to positions on the status and is in line with the UNSCR 1244/1999 and the ECJ opinion on the Kosovo Declaration of Independence.
