I. INTRODUCTION

This call for proposals is launched in the framework of the Council of Europe Project “Reference Framework of Competences for Democratic Culture”. It aims to co-fund national/local/institution-based projects aimed at disseminating the new Council of Europe ‘**Reference Framework of Competences for Democratic Culture**’ (<https://www.coe.int/en/web/education/competences-for-democratic-culture>).

Project proposals shall aim to produce an added value to the Council of Europe efforts in this domain.

II. BACKGROUND INFORMATION ON THE COUNCIL OF EUROPE PROJECT ‘Reference Framework of Competences for Democratic Culture’

Following the endorsement by European ministers of education in Brussels, April 2016, of the document “Competences for Democratic Culture: Living together as equals in culturally diverse democratic societies”, a Reference Framework of Competences for Democratic Culture (RFCDC) containing the model of competences, a bank of descriptors and thematic documents supporting the implementation of the RFCDC, has now been finalised and published.

The project ‘Competences for Democratic Culture 2018-2019’ will focus on the implementation of the RFCDC in the States Party to the European Cultural Convention (ECC states) in parallel with further development of the RFCDC to support implementation in specific areas of education. There are **three thrusts to the action undertaken in this project**:

I. Establishment of an Education Policy Advisors Network (EPAN) to report on the measures taken to implement the RFCDC, and to share experiences and discuss successful strategies and the obstacles encountered.

II. Implementation of the RFCDC in the fields of i) curriculum ii) teaching and iii) assessment in national contexts. The aim will be to develop and share knowledge and strategies for understanding, integrating and implementing CDC in all levels of education systems.

III. Development of documents offering guidance on the implementation of the CDC model, in particular in higher education, preparation of a portfolio to support learning and self-assessment and identification of descriptors most suitable for use with younger learners.

III. BUDGET AVAILABLE

The indicative available budget under this call for proposals is up to 120 000 € (hundred thousand Euros). The Council of Europe intends to award 12 grants of a maximum amount of 10 000€ (ten thousand Euros) each.

Subject to availability of funds and extension of the Project initial duration, the Council of Europe reserves the right not to award all available funds, and/or to redistribute the available funds in a different manner depending on the project proposals received and on the outcome of the call for proposals.

IV. REQUIREMENTS

1. General objective

The grants will fund projects related to **Thrust II** described above (Implementation of RFCDC) and designed to propose, implement and report on dissemination activities of the **Reference Framework of Competences for Democratic Culture**.

2. Means of action

Projects may include any/or all of the following:

- I. Round Tables with relevant stakeholders to discuss the three volumes of the RFCDC and devise ways in which it can be incorporated into education policy and practice in each national/local context;
- II. Communication and visibility activities/products (leaflets, websites/videos/social media) and all other activities aimed at disseminating the RFCDC.
- III. Translation and Publication in official languages of the RFCDC.

3. Implementation period

The implementation period of the projects should begin on 15 June 2018 (see indicative timetable under VIII. below) and shall not extend beyond 30 November 2018.

Reporting requirements shall be completed by **15 December at the latest**.

Projects completed prior to the date of submission of the applications will be automatically excluded. With regard to projects started prior to the date of submission of the applications, or prior to the date of signature of the grant agreement, only those costs incurred after the date of submission of the grant application may be eligible (provided the agreement concerned so provides).

4. Target stakeholders

Projects should target in particular educationists in all sectors of education systems from pre-school through primary and secondary schooling to higher education, including adult education and vocational education.

5. Budgetary requirements

Project proposals shall be accompanied by a draft budget (See **Template Budget, in Appendix II**) amounting to a maximum of 10 000 (Ten Thousand) Euros. The estimated budget must be consistent, accurate, clear, complete and cost-effective, in the light of the activities proposed.

Each Grantee shall also be required to contribute to the project either by way of its own resources or by contribution from third parties. Co-financing may take the form of financial or human resources, in-kind contributions or income generated by the action or project.

6. Further to the general objective, preference will be given to:

- Projects/actions proposed by members of the Education Policy Advisors Network recently established by the Council of Europe (EPAN).
- Projects/actions targeting the identification of models for implementation of the RFCDC.
- Projects/actions proposed by education institutions/establishments that participated in piloting any part of the RFCDC.

7. The following types of action will not be considered:

- Projects/actions providing financial support to third parties (re-granting schemes);
- Projects/actions concerning only or mainly individual scholarships for studies or training courses;
- Projects/actions supporting political parties.

8. Funding conditions:

The funds for each grant should in principle be distributed as follows:

- 80 % will be paid when the Grant Agreement between the two parties is signed;
- the balance will be paid based on actual expenditures incurred, and after the presentation and acceptance by the Council of Europe of the final narrative and financial reports for the Grant implementation.

9. Reporting requirements:

- **narrative reporting** requires a full narrative report on the use made of the grant and a copy of the register of the persons present during each of the activities, including names and signatures of participants and relevant digital photos free for use on the RFCDC project website of the Council of Europe;
- **recommendations (if applicable) on models for implementation of the RFCDC**
- **official copy of a published translation of the RFCDC (if applicable)**
- **financial reporting** requires in particular a statement in the currency in which the Grant Agreement will be concluded (Euros or local currency), in English, stating the payments made for the implementation of the activities, certified by the responsible financial officer of the Grantee, accompanied by “appropriate original supporting documents” (see below). The Council of Europe reserves the right to ask for summary translations of invoices into English. If for legal reasons the original documents must be retained by the Grantee, certified copies must be submitted with the financial statement.

“Appropriate original supporting documents” refers to signed contracts, invoices and acceptances of work (for all transactions), payment authorisation for all transactions should also be provided in case the Grantee uses such practice, and reliable evidence of payment (authorised payment order and bank statement).

As regards round tables / conferences, presenting “appropriate original supporting documents” requires presentation of a programme indicating the title, dates, venue, and agenda of the event; the names of persons facilitating the event, a signed list of participants, the contracts with the owner of venue of the event (e.g. hotel) for the rent of premises, food and beverages of participants, invoices from

the owner of the venue of the event for the above services, and a report on the results of the event (see narrative reporting above).

As regards consultancy services, presenting “appropriate original supporting documents” requires presentation of evidence of the outputs produced, contracts with experts and consultants containing a specific description of services to be carried out, invoices produced after the works have been performed and delivered (the specialities of the consultants shall correspond to the nature of activities for which they are contracted).

As regards travel expenses / lodging of experts and participants, presenting “appropriate original supporting documents” requires presentation, where relevant, of contracts with a travel agency for travel expenses and lodging, invoices of the travel agency indicating destinations, dates, ticket costs, and names of the persons travelling, a programme of the event indicating the names of the experts and signed lists of participants.

The above description is not comprehensive. Any doubt regarding the interpretation of the notion of “appropriate original supporting documents” should lead the Grantee to consult the Council of Europe.
