2nd Training Course for Youth Leaders of the African Diaspora Living in Europe

4 – 12 July 2010 – Tarrafal, Cape Verde

**In the Framework of the 2nd African University on Youth and
Development**

***Organised by the North-South Centre of the Council of Europe in the
frame of the Youth-Partnership between the Council of Europe & the
European Commission***

1. Background of the Training Course

In 2010, and for second consecutive year, the **Youth-Partnership between the Council of Europe and the European Commission** also includes a Euro-African dimension implemented by the **North-South Centre**. This new dimension came up as a result of previous Euro-African training courses organised by the North-South Centre and of the **Africa Europe Youth Summit**, held in Lisbon in 2007.

Youth organisations and youth groups from the African Diaspora living in Europe are fundamental actors for the Euro-African Youth Cooperation. These groups share several aspects of the collective imaginary of the Diaspora phenomenon and identity and at the same time they are part of the European citizenship. They become essential actors and act as important bridges when it comes to implement youth cooperation projects, building on common identity. Their experience of action and the response to their challenges and aspirations are fundamental resources and aims of the Euro-african youth cooperation. The youth from the African Diaspora was a key participatory element in the process leading to the Africa Europe Youth Summit and the Summit itself.

At the political level the Diaspora is considered by the African Union as the 6th region of Africa and the 6th building block of the African Union. These groups are also important actors for youth cooperation and represent for the hosting societies an immense richness in terms of human resources, intercultural opportunities and possibilities for relationship with the sending societies.

Encouraged by the successful experience of the first training Course, held in Almada, in December 2009, the North-South Centre will be organising a second training for the Youth Leaders of the African Diaspora Living in Europe. The Course will be held in Cape Verde, in the framework of the 2nd African University in Youth and Development. This will be a new opportunity to carry out a capacity building programme for the Diasporas living in Europe but to do it in Africa,

and in a wider context where that can exchange with other youth leaders from Africa and from Europe, by sharing the same space of the AYUD.

The training course will be a residential programme of 6 days, and will be held in Cape Verde, from the 4th (arrival day) to the 12th (departure day). The pedagogical team of the course will be composed of experienced trainers in Euro-African

cooperation and will include trainers of the African Diaspora living in Europe and from Africa.

During the course participants will acquire knowledge and tools to strengthen the role they play with regard to Euro-African Cooperation, acquiring also skills to develop the capacity of their organisations as civil society actors in this process. Participants will exchange experiences and strategies to empower the youth community of Africans Living in Europe and to empower also actions developed from a local level to achieve the global goals involved within the Euro-African cooperation framework.

The course will also be an important tool to enlarge and consolidate the network of youth leaders from the African Diaspora initiated by the participants of the first training course (A.D.Y.N.E).

The course will gather close to 25 youth leaders from the African Diaspora active in youth organisations in the hosting societies or leading African Diaspora youth groups and movements. It is designed using a process of mutual learning, being the participants' experiences the starting point of the training process. Active participation and in-depth reflection are key methodologies used in the course, methodologies that have proven successful in the 1st Training Course for Youth Leaders of the African Diaspora Living in Europe and in similar courses previously. Participants will compare their approaches to youth work and youth participation, engaging in the implementation and evaluation of the programme with the team of trainers.

The course will also provide an excellent space for strategic networking and finding partners; this dimension will be most strongly encouraged by the team of trainers as well as for intercultural dialogue and intercultural learning.

Furthermore, the course is a unique moment of practical and political follow up and implementation of some of the outcomes of the Africa Europe Youth Summit held in parallel to the 2nd EU-Africa Summit of heads of State in December 2007 and for the preparations of the upcoming Africa Europe Youth Summit that will happen at the end of 2010.
