

LETTER OF CANDIDATURE FOR VICE PRESIDENT OF THE GOVERNANCE COMMITTEE

Dr. Dörte Liebetruh

Member of the Congress of Regional and Local Authorities, representing the region of Lower Saxony, Germany

Group of Socialists, Greens and Progressive Democrats (SOC/G/PD)

Kirchlinteln, 18.3.2021

Dear ladies and gentlemen,
dear colleagues and friends,

In our current times of the pandemic and of climate change the work of the Governance Committee on good democratic governance, participation and human rights is of utmost importance. As a Vice President of the Governance Committee I would like to dedicate my efforts on the equal participation and inclusion of all in governance processes. From my perspective it is crucial to make transparent to ordinary citizens how their voices count in European governance.

Therefore I, Dörte Liebetruh, consent to the nomination as candidate for Vice President of the Governance Committee by the SOC/G/PD in accordance with the agreement reached by the political groups.

I'm looking forward to cooperating with you during the upcoming years!

Kind regards
