EUROPEAN COMMITTEE ON CRIME PROBLEMS

(CDPC)

LIST OF DECISIONS

79th PLENARY SESSION

Strasbourg, 28-30 June 2021

Teleconference

The CDPC, meeting remotely via videoconference, under the Chairmanship of Mr Jesper Hjortenberg (Denmark), took the following decisions:

1. Opening of the meeting by Mr Jan Kleijssen, Director, Information Society and Action against Crime Directorate

To take note of the introductory remarks by Mr Kleijssen and in particular of:

- the continuing need to meet online, but that despite this the CDPC carries out its work as planned;
- the implementation of the Strategic Framework of the Council of Europe and its effects (namely the four-year programming cycle coupled with two biennial budgets);
- the information that on 5 October this year, the Hungarian Presidency of the Council of Europe is planning to host a Ministers of Justice Conference in Budapest on the digitalization of justice and the use of AI in judicial proceedings. It will be preceded on 4 October by a Roundtable on new means of communication for international cooperation in criminal matters;

- the important role the CDPC will play in the elaboration of an instrument on AI and criminal law related to the automated driving of vehicles;
- the importance of the second priority area: the protection of the environment where a possible new legal instrument is expected with great anticipation. In relation to this to take note of the highly praised role of the Committee in developing very important legal instruments over the course of the years despite some difficulties due to the sensitive areas being regulated;
- the finalisation by the PC-CP of the draft Recommendation regarding the assessment, management and reintegration of persons accused or convicted of a sexual offence and its draft explanatory report;
- the organisation of the 26th Conference of Directors of Prison and Probation Services in September in Portugal;
- the work by the PC-OC, notably the issue of co-operation with the European Public Prosecutor's Office (EPPO) and the first steps taken towards the drafting of a new protocol to the 1959 Convention on Mutual Assistance in Criminal Matters to provide a solid legal basis for this cooperation, in consultation with the European Commission;
- the successful organisation on 5 May this year by the German Ministry of Justice during its Committee of Ministers Presidency of the Conference on Strengthening international co-operation in criminal matters which addressed important issues like the cooperation with the EPPO on MLA and several developments affecting extradition;
- the CDPC's first steps towards drafting a new recommendation on the rights of victims.
