CEPEJ(2021)11Final

**EUROPEAN COMMISSION FOR THE EFFICIENCY OF JUSTICE
(CEPEJ)**

2022 - 2023 Activity Programme of the CEPEJ

Adopted by the CEPEJ in accordance with Article 7.5 of its Statute

1. The Committee of Ministers has entrusted the European Commission for the Efficiency of Justice (hereafter “CEPEJ”) with the mission of working with member States to promote effective implementation of Council of Europe instruments concerning the organisation of judicial systems, promoting justice as an efficient public service functioning with quality and taking the users of the justice system into account, and helping to disencumber the European Court of Human Rights by offering member States effective solutions prior to legal proceedings, preventing violations of Article 6 of the European Convention on Human Rights.

2. Under Article 2 of its Statute, contained in the Committee of Ministers’ Resolution [Res\(2002\)12](#), the CEPEJ is required to:

- examine the results achieved by the different judicial systems, using common statistical criteria and means of evaluation,
- analyse problems and areas for possible improvements, and
- identify concrete ways of improving the evaluation and functioning of member States’ judicial systems, regard being had to the specific needs of each State.

3. The independence and efficiency of justice remain among the [key strategic priorities of the Organisation](#) as set out in the four-year strategic framework 2022-2025 of the Secretary General of the Council of Europe, in particular the tasks concerning “The independence, efficiency and resilience of the judicial systems of our member states” and the “Artificial intelligence and the broader impact of digital transformation and the use of new technologies on human rights, democracy and the rule of law”, in accordance with Article 3 of the Statute of the Council of Europe. This programme is also in line with the [Council of Europe Contribution to the United Nations 2030 agenda for sustainable development goals](#) – Goal 16: Access to justice.

4. The CEPEJ’s activity contributes to the implementation of the “Council of Europe Plan of Action on Strengthening Judicial Independence and Impartiality” adopted by the Committee of Ministers on 13 April 2016 following the report by the Secretary General “on the state of democracy, human rights and the rule of law in Europe”.

5. This programme is designed around six areas of responsibility vested in the CEPEJ:

- a. developing tools for analysing the functioning of justice and ensuring that public policies of justice are geared towards greater efficiency and quality,
- b. obtaining an in-depth knowledge of the timeframes of proceedings for reaching optimum and foreseeable judicial time,
- c. promoting quality of judicial systems and courts,
- d. developing targeted co-operation at the request of a member or partner State and promoting among the stakeholders in the member or partner States the implementation of the measures and the use of the tools designed by the CEPEJ,
- e. analysing and developing relevant tools on emerging issues such as the use of cyberjustice and artificial intelligence in judicial systems as regards the efficiency and quality of judicial systems,
- f. strengthening relations with users of the justice system, as well as national and international bodies.

6. It includes co-operation programmes (including Joint programmes with the European Union) for promoting the concrete implementation of the CEPEJ methodology and tools by justice decision-makers and in courts, as an integral part of the CEPEJ’s own activities. Such activities offer a genuine added value in the field of justice to the member States and non-member States seeking for closer co-operation with the Council of Europe.

7. Where appropriate, the activities will be carried out in co-operation with the relevant Council of Europe committees, as well as the observers to the CEPEJ.

8. The activity programme is implemented according to available budgetary resources (ordinary budget and other budgetary resources), under the CEPEJ’s overall authority, in accordance with the responsibilities laid down in Resolution [Res\(2002\)12](#). European Commission for the Efficiency of Justice (CEPEJ)

Terms of reference of the Working Group on evaluation of judicial systems
(CEPEJ-GT-EVAL)
2022-2023

1. Tasks

In accordance with article 7.2.b of Appendix 1 to Resolution [Res\(2002\)12](#), and under the authority of the European Commission for the Efficiency of Justice (CEPEJ), the Working Group on evaluation of judicial systems (CEPEJ-GT-EVAL) is instructed to implement the common tool set up by the CEPEJ which aims at evaluating in an objective manner the functioning of the judicial systems in Europe and those of its observers.

In order to fulfil its tasks, the CEPEJ-GT-EVAL shall in particular:

- a. determine and follow the implementation of the 2022 evaluation cycle of the European judicial systems (2020 data), including the national judicial data collection and processing and prepare the draft evaluation report, to be adopted at the 38th plenary meeting of the CEPEJ;
- b. make proposals for the appropriate use of the results achieved by the evaluation exercise that constitutes the basis of the Report “European judicial systems - 2022 edition” and allowing the development of indicators and the identification of orientations and trends observed among judicial systems in Europe, so that they may be used in a concrete and fruitful manner in public policies of justice;
- c. pursue the development of the interactive CEPEJ-STAT database;
- d. ensure the proper information and communication regarding the Edition 2022 of the Report and assess the impact of the Report in the member States;
- e. initiate, follow and approve studies using the data of the Report “European judicial systems – Edition 2022”, with a view to publishing them;
- f. organise the 2024 evaluation cycle (based on 2022 data), by advising in due time the national correspondents, organising the concrete modalities for data collection and processing as well as anticipating the structure and the outline of the next Report so as to guide the data processing;
- g. coordinate and supervise the preparation of the CEPEJ Study supporting the annual publication of the “EU Justice Scoreboard”, consisting in collecting and analysing data on the functioning of the judicial systems of the EU Member States, following the established CEPEJ methodology;
- h. coordinate and supervise the preparation of the CEPEJ Evaluation report by collecting and analysing data on the functioning of the judicial systems in Western Balkans Beneficiaries (exercise known as the European Union – CEPEJ “Dashboard Western Balkans”);
- i. coordinate and supervise the preparation of the CEPEJ Evaluation report by collecting and analysing data on the functioning of the judicial systems in Eastern Partnership Beneficiaries (exercise known as the European Union – CEPEJ “Justice Dashboard Eap”);
- j. improve the coherence of the processes of all evaluation exercises (see f, g, h, I above);
- k. organise the implementation of the peer review co-operation process on judicial statistics, analyse the conclusions of this process and, where appropriate, make recommendations aiming to:
 - support member States in improving the quality of their judicial statistics and developing their statistics system,
 - facilitate the exchange of experiences between national judicial statistics systems,
 - sharing good practices, identifying common indicators and facilitating knowledge transfer,
 - contribute to ensuring the transparency and accountability of the CEPEJ process for evaluating European judicial systems and to improving the process;

- I. organize *ad hoc* visits to member States in which difficulties have been observed in respect of the data submitted;
- a. contribute to the HELP training modules reflecting the work in the field of evaluation;
- b. contribute to the implementation of the relevant co-operation programmes;
- m. set up and develop, in co-operation with the CEPEJ-GT-QUAL, CEPEJ-GT-CYBERJUST and the CEPEJ-SATURN, tools and indicators for measuring the performance of justice systems and courts.

2. Composition

The CEPEJ-GT-EVAL shall be composed of 6 members of the CEPEJ or experts, as well as possibly 2 substitute members, proposed by member States through their CEPEJ members and appointed by the CEPEJ Bureau, with an in-depth knowledge in the field of the evaluation of judicial systems. Their travel and subsistence expenses are to be borne by the budget of the Council of Europe. Other experts appointed by the member States might participate in its work, at their own expenses.

The relevant Council of Europe and European Union bodies may be represented to the CEPEJ-GT-EVAL without the right to vote or defrayal of expenses.

The non-governmental organisations granted observer status with the CEPEJ may be invited by the Bureau to participate in the work of the CEPEJ-GT-EVAL, if the Bureau considers their attendance relevant for the quality of the work.

3. Working structures and methods

The CEPEJ-GT-EVAL will organise 5 meetings and evaluation visits can be organised in some member States or observer States participating to the evaluation cycle (on States request and subject to budgetary availability).

In carrying out its terms of reference, the CEPEJ-GT-EVAL may in particular be supported by the Network of national correspondents entrusted with the coordination of the answers to the evaluation Scheme.

It will also coordinate its work with other relevant CEPEJ's working groups (namely the CEPEJ-SATURN, CEPEJ-GT-QUAL and CEPEJ-GT-CYBERJUST)

It may also seek the advice of external experts and have recourse to studies by consultants.

4. Duration

These terms of reference expire on 31 December 2023.
