### **Candidacy for the position of Vice-President in the Local Chamber of the Congress**

Dear Anders,

Dear Colleagues,

herewith I would like to submit my application for the position of Vice President of the Local Chamber of the Congress for the period 2018-2020.

My candidature is supported by the German delegation and I am highly motivated to serve the Congress in the coming years:

- I truly believe in the values and in the strength of the Congress. Together with my partners from the EPP, my German colleagues and partners from other national delegations I want to fight for the financial stability of the Congress as I did in recent years.
- I represented successfully the interests of the Congress, by suggesting a share of 3 percent of the budget of the European Council, vis-à-vis the German government which is actively engaged to strengthen the financial situation of the Congress. It is my personal aim to continue my work cooperatively towards all institutions of the European Council and the European Union.
- I am also Alternate Member of the Committee of the Regions of the European Union which allows me to generate useful synergies for the benefit of the Congress.

I would like to continue my work within the Local Chamber and it would be an honor to use my skills and my network for the benefit of the EPP Group and the Congress.

Sincerely,

A handwritten signature in black ink, appearing to read 'Clemens Lammerskitten', is written over a horizontal line.
