Motivation letter

Election to the **Vice-President of the Chamber of Regions** of the Congress

Candidature of **MAGYAR Anna, Hungary (R, EPP)**

Dear Executive Secretary of the Chamber of Regions,

According to Rule 14 of the Congress Rules and Procedures, I hereby present the motivation for my candidature for the position of a vice-president of the Chamber of Regions of the Congress.

Based on my wide political experience for decades, on county level, parliamentary level, and taking part in the work of several international organisations and international cooperations, I would like to further contribute to the work of the Chamber of Regions.

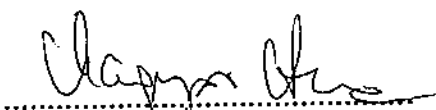

I am an active member of the Congress from 2012, as deputy head of the Hungarian delegation. During my presence, I have been an active member of the Monitoring Committee and alternate of the Current Affairs Committee, later member of the Current Affairs Committee and alternate member of the Monitoring Committee.

I was involved in several Election Missions of the Congress, also participated in World Forum for Democracy, and I was a delegate of the Congress on a Geneva conference organised by the UN. I also had a rapporteurship in the frame of the Current Affairs Committee.

Since 2016, I am an active vice-president of the Chamber of Regions, thus I contribute the work of both the Chamber of Regions Bureau and the Congress Bureau.

These facts encourage me to take the possibility to issue my candidature to further continue my activity as vice-president of the Chamber of Regions.

Yours faithfully,

.....
