Communiqué on the situation in Nagorno-Karabakh

(9 October 2023)

During its General Assembly on 9-11 October 2023, the Conference of INGOs of the Council of Europe heard the testimony of Armenian civil society relayed by the Committee on the Rights of Migrants.

An appeal was made to guarantee the safety and respect for the human rights of people fleeing Nagorno-Karabakh. This appeal is in line with the [resolution](#) passed by the Parliamentary Assembly of the Council of Europe (PACE) which, on the basis of a report by Domagoj Hajduković (Croatia, SOC) and following an urgent debate, regretted "the persistent and long-standing failure of the Azerbaijani authorities to reassure the Armenian population of this region of their safety and full respect for their rights".
