Ref. 98368/2021

San Marino, 15 September 2021

Mrs. Nelles,

With reference to GREVIO's Final Report on legislative and other measures giving effect to the provisions of the Convention in San Marino as approved by GREVIO at its 23rd meeting, which took place from 21 to 23 June 2021, I hereby inform you that there are no further comments from the Authorities of the Republic of San Marino.

The Report seems to us to be exhaustive and in-depth. It will certainly be an important guideline for all operators in the sector in strengthening their efforts and commitment to continue their action against an aberrant phenomenon, such as the one covered by the aforementioned Convention, i.e. violence against women and gender violence.

In thanking you personally for your work within GREVIO and for all that you have done for the Republic of San Marino, I express to you, Mrs. Nelles, the assurances of my highest esteem.

MINISTER
