

CONFERENCE OF INGOs
OF THE COUNCIL OF EUROPE

CONFERENCE DES OING DU
CONSEIL DE L'EUROPE

Civil Society Committee on the Rights of the Child (CSC-RC)

1. Date of creation
2021 April 28th
2. Background and links with the priorities of the Conference of INGOs and the Council of Europe
<p>The Committee on the Rights of the Child will mainly cooperate with the following CoE bodies:</p> <ul style="list-style-type: none">- the Children's Rights Division- the Steering Committee for the Rights of the Child (CDENF) that is the Council of Europe intergovernmental body responsible for the standard-setting activities in the field of the rights of the child.- Committee of experts on the rights and the best interests of the child in parental separation and in care proceedings (CJ/ENF-ISE)- the European Steering Committee for Youth (CDEJ)- the Lanzarote Committee- the Parliamentary Assembly of the Council of Europe (PACE)- the European Court of Human Rights (ECHR)- the Group of Experts on Action against Violence against Women and Domestic Violence (GREVIO)- the European Committee of Social Rights- the European Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment (CPT)- the online platform HELP (Human Rights Education for Legal Professionals) <p>The Committee will base its work and discourse on principles deriving from:</p> <ul style="list-style-type: none">- the Council of Europe current Strategy for the Rights of the Child (2016-2021) and the next one,- the United Nations Convention on the Rights of the Child,- the European Convention on Human Rights,- case law of the European Court of Human Rights,- regulations of the Council of Europe.
3. Committee's purpose(s)
<p>1/ To promote the application of the rights of the child in national laws, policies, and practices, in line with international and European standards and good practice.</p> <p>2/ To cooperate with other institutions of the CoE to provide a platform for interpretative discourse on points of European human rights law and practices relating to the rights of the child.</p> <p>3/ To identify points of legislative reform and potential harmonization among European legal systems and practices relating to children's rights.</p> <p>4/ To enable exchanges and develop learning of family justice professional (judges, lawyers, mediators, psychologists, social workers, etc.).</p> <p>The beneficiaries of the committee's purposes are children, i.e. persons under the age of 18. Accordingly, the beneficiaries also include young people in their fundamental rights dimension. Therefore, articulation will be considered with the Youth Department of the Council of Europe which seeks to bring together and disseminate expertise and knowledge about the life situations, aspirations and ways of expression of young Europeans.</p>

4. Its specific objective(s)

- 1/ Disseminate research results, relevant articles and INGOs' activity reports on the Rights of the Child in situations of parental separation and in domestic law proceedings by public authorities to limit parental responsibilities or place a child in care.
- 2/ Hold meetings in order to define the main lines of the implementation of the platform on how the best interests of the child and their rights are protected by laws, policies and practices.
- 3/ Formulate –on the basis of the above-mentioned reviews, INGOs activities and platform content– guidelines or other policy instruments or practical tools to support member States and other stakeholders in this area.
- 4/ Organize webinars to exchange ideas and experiences among experts, researchers and professionals, from an interdisciplinary perspective (e.g. What is coparenting? How to prepare parents to cope with separation consequences? How to deal with the separation consequences? How to develop parents' awareness of separation outcomes? How to communicate with the former partner? How to avoid violence? What are the consequences of institutional placement? Who can decide on institutional care?)
- 5/ Articulate, demonstrate and promote the role of civil society organisations in upholding i/ the fundamental rights of children and ii/ the role of parents in raising their children and guaranteeing their rights.
- 6/ Ensure the voice and influence of children and adults with experience of statutory/legal intervention (e.g. through entering state care systems) are central to the work of the committee by promoting the effective participation of children and relevant groups of people.

5. Planned activities, working methods and timetable

- 4 online meetings per year
- Designation of a board (chair and vice-chairpersons, rapporteur, facilitators of ad-hoc drafting groups)
- Establishment of ad-hoc drafting groups (ad-hoc drafting groups are focused on specific tasks of the committee. Nevertheless, delegates can circulate among ad-hoc drafting groups according to the tasks at hand, so that ideas can be discussed and shared within the committee.
- Gradual finalisation of written documents through e-mail exchanges and on-line meetings.
- Seeking decision-making by consensus

6. Expected outputs and their indicators

- annual report (The Committee shall submit: (a) an interim report on its activities for consideration at the General Assembly occurring a year after its creation; and (b) a final report on its findings, together with any draft recommendation or resolution considered appropriate, for consideration at the General Assembly held prior to the end of its mandate.)
- written contribution to the work of the mentioned CoE bodies, contributions made on the base of the INGO / NGO consultation.
- 2 newsletters per year.
- 2 meetings with 2 of the CoE bodies mentioned above (item 2).
- 1 webinar per year for the professional development of family justice professionals and social workers
- Use of online communication and dissemination methods to share and promote the work of the committee e.g. through twitter
