¹ The International Council on Shared Parenting (ICSP) is an international non-profit organization with the participatory status to the CoE. It aims to promote and disseminate scientific research and makes recommendations on the needs and rights of children whose parents do not live together.

² Cristine Rigman is the Conference of INGOs representative to the Council of Europe Ad-hoc Committee on the Rights of the Child (CAHENF)

³ ChildPact – the Regional Coalition for Child Protection – is a network of networks that bring together 650 child-focused NGOs from 10 different countries. ChildPact advocates for regional cooperation and believes that child-focused networks play an essential role in promoting the child protection reforms and innovation. The mission of ChildPact is to change children's lives by inspiring transformational child protection policy making and implementation.
